Football Score Sheet

Reference | Blank score sheet | A4

Match: _____ Date: _____

Minute	Home scorer	Away scorer	Home running total	Away running total
Totals				

Football Score Sheet

Reference | Worked example | A4

Original prompt

Fill a score sheet for a match with goals at minutes 12 (Home, A), 27 (Away, B), 41 (Home, C), 63 (Away, D), 78 (Home, E), 85 (Away, F), and 90 (Home, G). State the final score and result.

Practice match: Home vs Away

Minute	Home scorer	Away scorer	Home running total	Away running total
12	A		1	0
27		B	1	1
41	C		2	1
63		D	2	2
78	E		3	2
85		F	3	3
90	G		4	3
Totals			4	3

Answer

Rows: 12 Home A; 27 Away B; 41 Home C; 63 Away D; 78 Home E; 85 Away F; 90 Home G. Home total 4, Away total 3. Final score 4-3, Home win.

Reasoning

Each goal is one row with minute, team, and scorer. Counting Home rows gives 4 and Away rows gives 3, so the final score is 4-3 and Home wins.

Check

Count the Home rows and Away rows separately and confirm they match the totals written at the bottom of each column.
