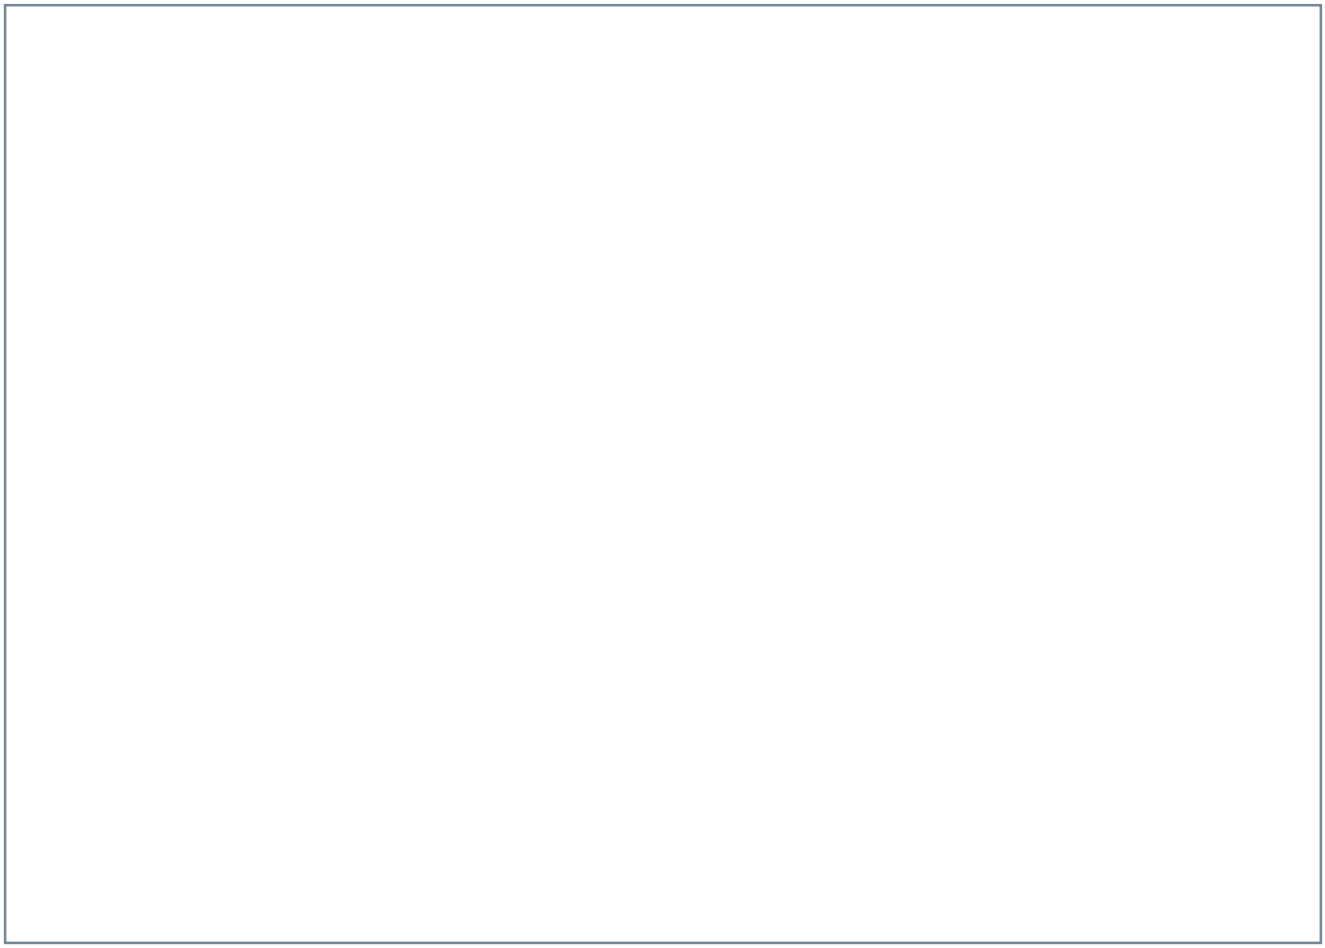
American Flag Address Labels

Student | Task 1 of 4 | A4

Original prompt

Task 1: Sheet plan. On a blank sheet, draw a sheet outline and a label grid of four labels in a single row. Choose the label size and the gap between labels yourself and write the choices beside the drawing. Do not draw the flag motif or the text fields yet.

Record your chosen label size and gap.



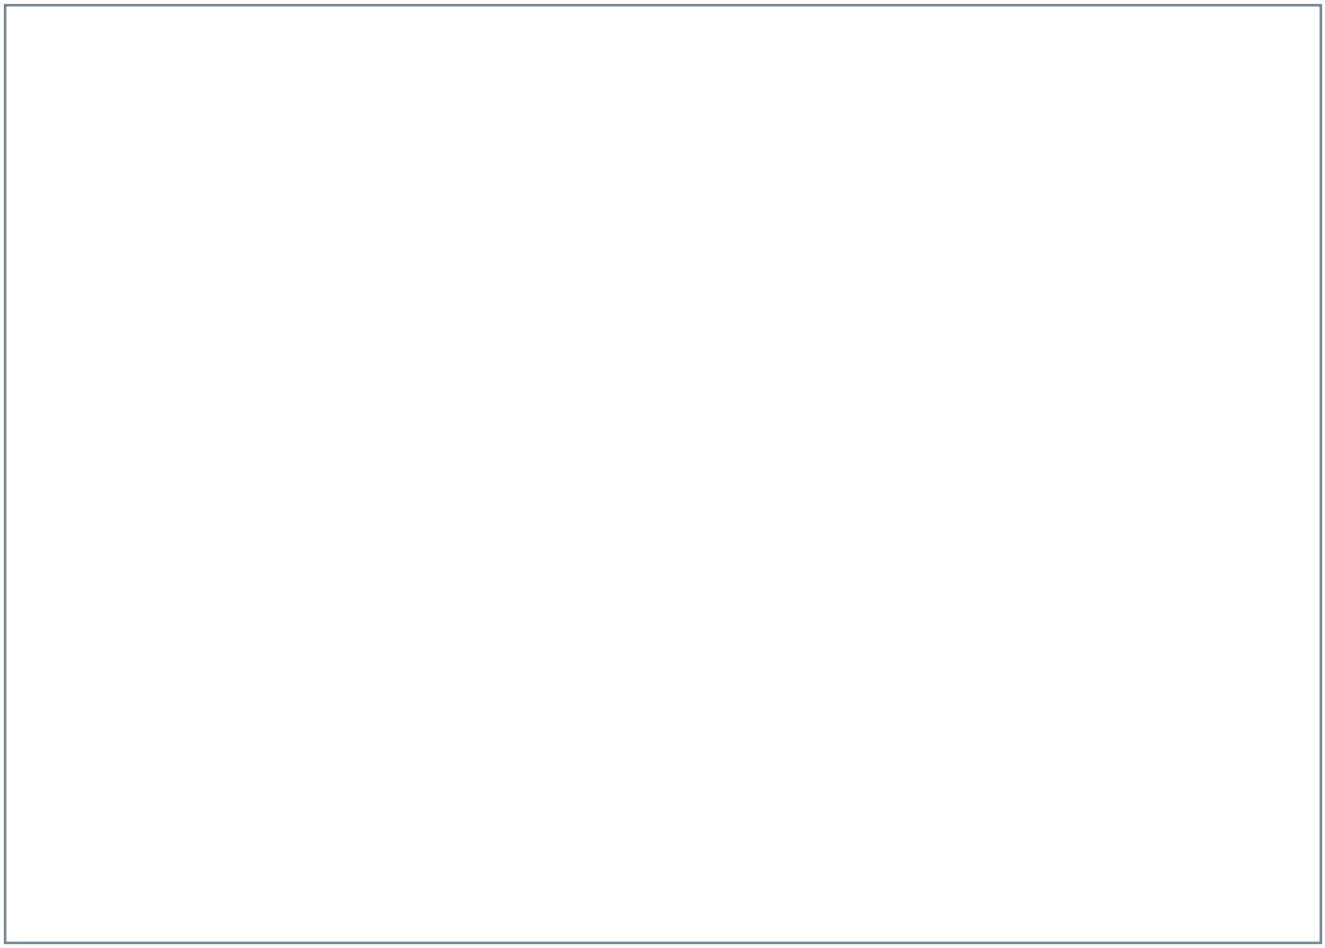
American Flag Address Labels

Student | Task 2 of 4 | A4

Original prompt

Task 2: Flag motif. Inside one label from Task 1, draw a flag motif box and fill it with a canton, stripes, and stars. Choose the canton position (upper-left or upper-right) and write the choice beside the drawing. Keep the motif inside its box.

Record the canton position you chose.



American Flag Address Labels

Student | Task 3 of 4 | A4

Original prompt

Task 3: Address text fields. In the same label, draw address text lines in the space not used by the flag motif. Choose the number of lines (three or four) and write the choice beside the drawing. The lines must not overlap the motif.

Record your chosen number of address lines.

American Flag Address Labels

Student | Task 4 of 4 | A4

Original prompt

Task 4: Cut guides and full check. Around the label from Task 3, draw a cut guide. Choose the guide style (full rectangle or corner marks) and write the choice beside the drawing. Then check the whole label against the three checks from the worked example.

Record your guide style and the three checks.
