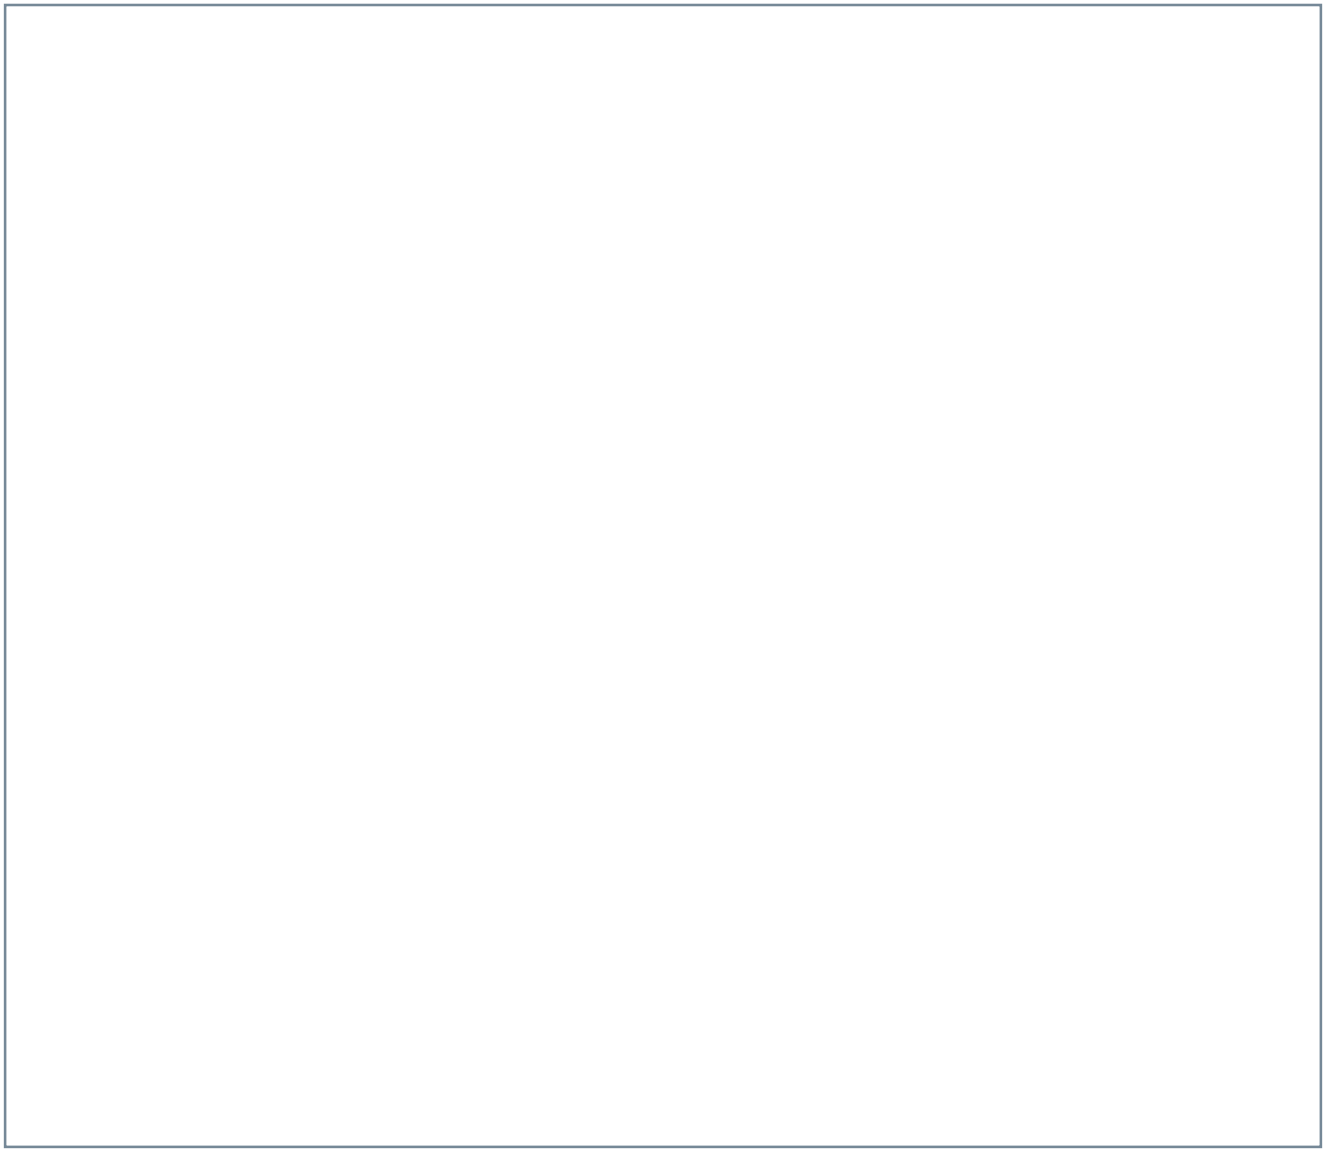
Castle Perspective Drawing

Student | Task 1 of 4 | A4

Original prompt

Task 1: Draw the front view of a simple castle with a main wall and two towers on a marked horizon and vanishing point.

Your drawing and comparison



Castle Perspective Drawing

Student | Task 2 of 4 | A4

Original prompt

Task 2: Redraw the same castle from a right-shifted viewpoint without turning it. Keep the front wall square to the page, show the right side, and aim only its depth edges at the shared horizon point.

Your drawing and comparison

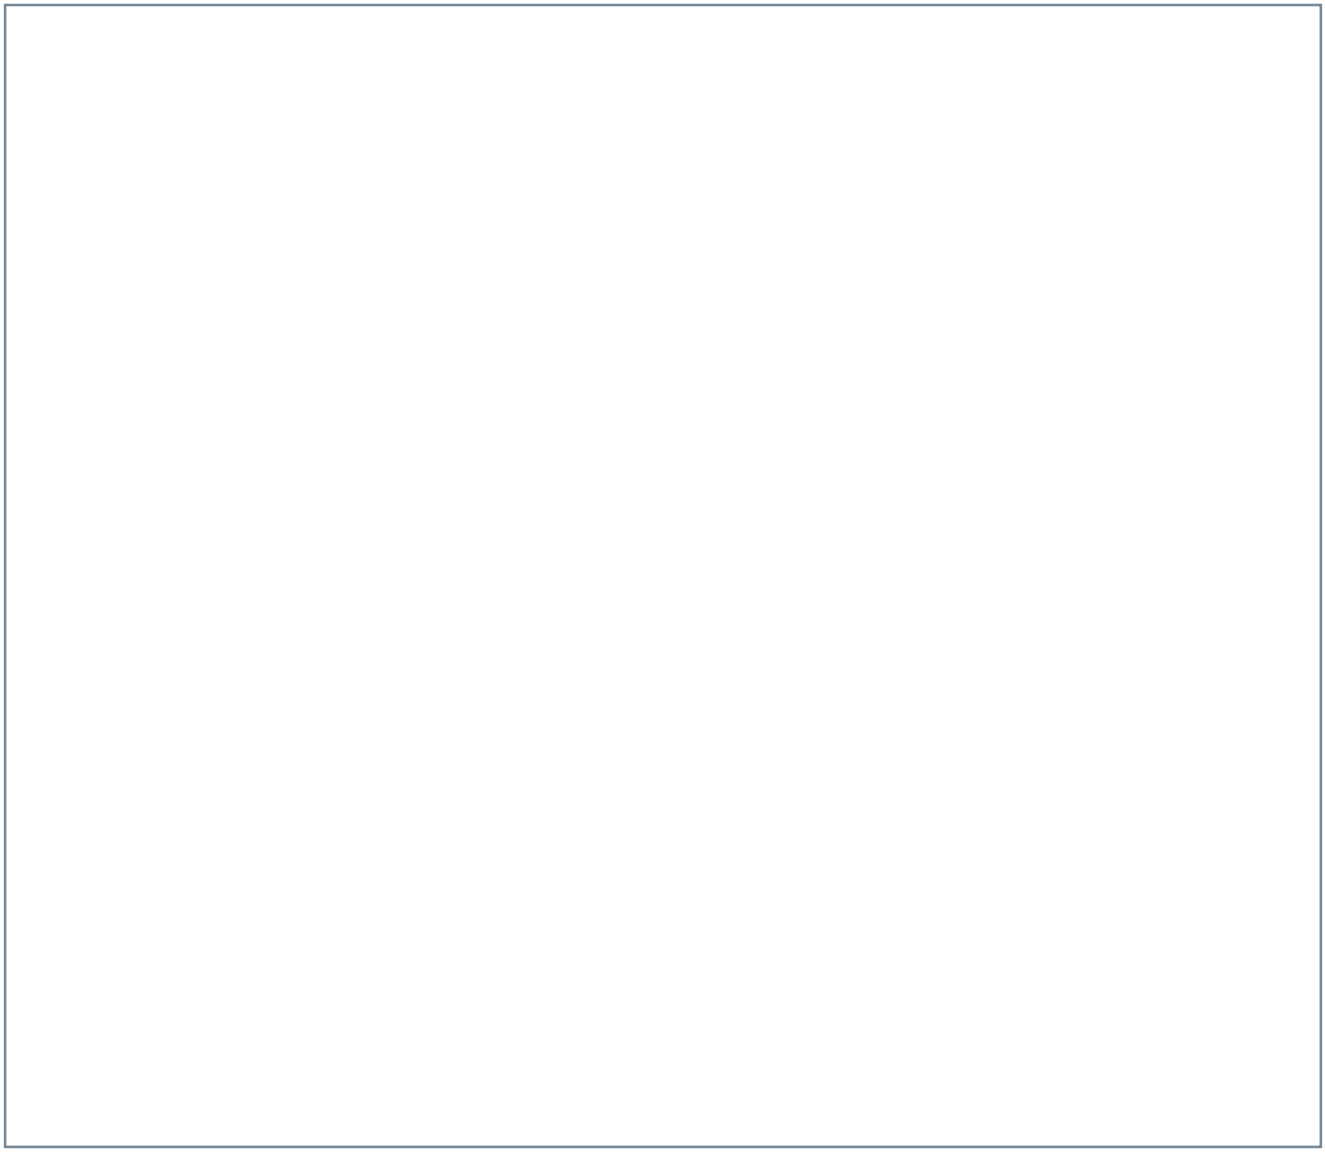
Castle Perspective Drawing

Student | Task 3 of 4 | A4

Original prompt

Task 3: On one plate, place the front view and the angled view side by side on a shared horizon and label which edges recede.

Your drawing and comparison



Castle Perspective Drawing

Student | Task 4 of 4 | A4

Original prompt

Task 4: Check a partner's comparison plate and list two things that are correct and one thing to fix.

Use this practice plate

If you are working alone, check this pair instead.
