PowerPoint Index Card Template

Student | Task 3 of 4 | A4

Original prompt

Task 3: Redraw a given index-card slide layout on paper. The given layout is a landscape card with a title box across the top and a body box below it. Sketch the card and label the two boxes.

Given layout

Use the top and lower boxes as locations for your redraw.

PowerPoint Index Card Template

Student | Task 4 of 4 | A4

Original prompt

Task 4: Check a finished index-card slide. The slide is 5 inches by 3 inches, but the body text box extends past the right edge. State whether the slide passes and what to fix.

Given layout

Look at where the lower box sits relative to the right edge.
