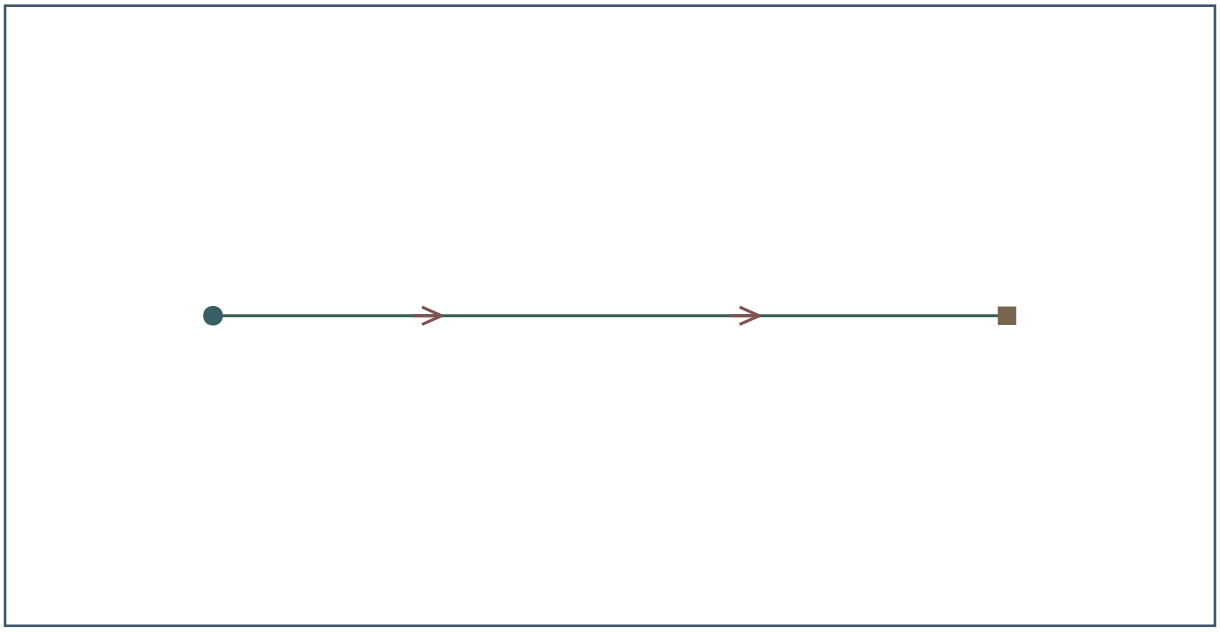
Preschool Line Drawing Practice

Answer | Task 1 of 4 | A4

Original prompt

Task 1: trace the straight horizontal path from the left start dot to the right stop mark, following the left-to-right stroke arrows.

Completed trace



Answer

A straight horizontal trace from the left start dot to the right stop mark, following the left-to-right arrows.

Reasoning

The start dot is on the left, the arrows point left to right, and the stop mark is on the right.

Check

The trace is straight, follows the arrows, and ends at the stop mark.

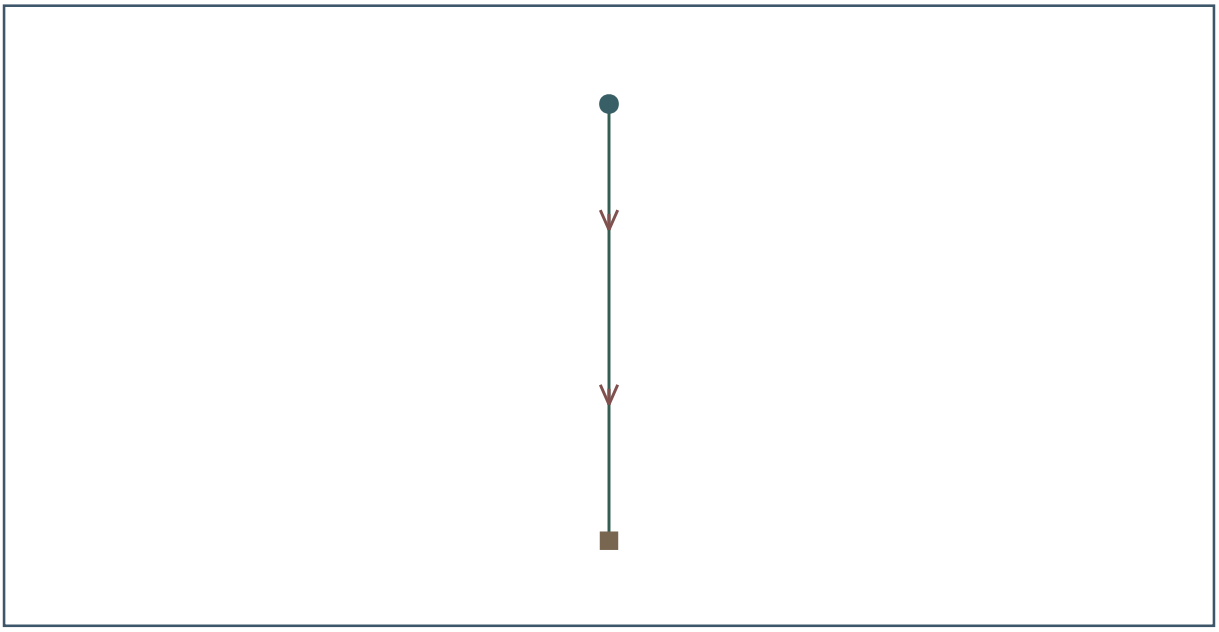
Answer | Task 2 of 4 | A4

Original prompt

Task 2: trace the straight vertical path from the top start dot to the bottom stop mark, following the downward stroke arrows.

Completed trace



Answer

A straight vertical trace from the top start dot to the bottom stop mark, following the downward arrows.

Reasoning

The start dot is at the top, the arrows point downward, and the stop mark is at the bottom.

Check

The trace is straight, follows the arrows, and ends at the stop mark.

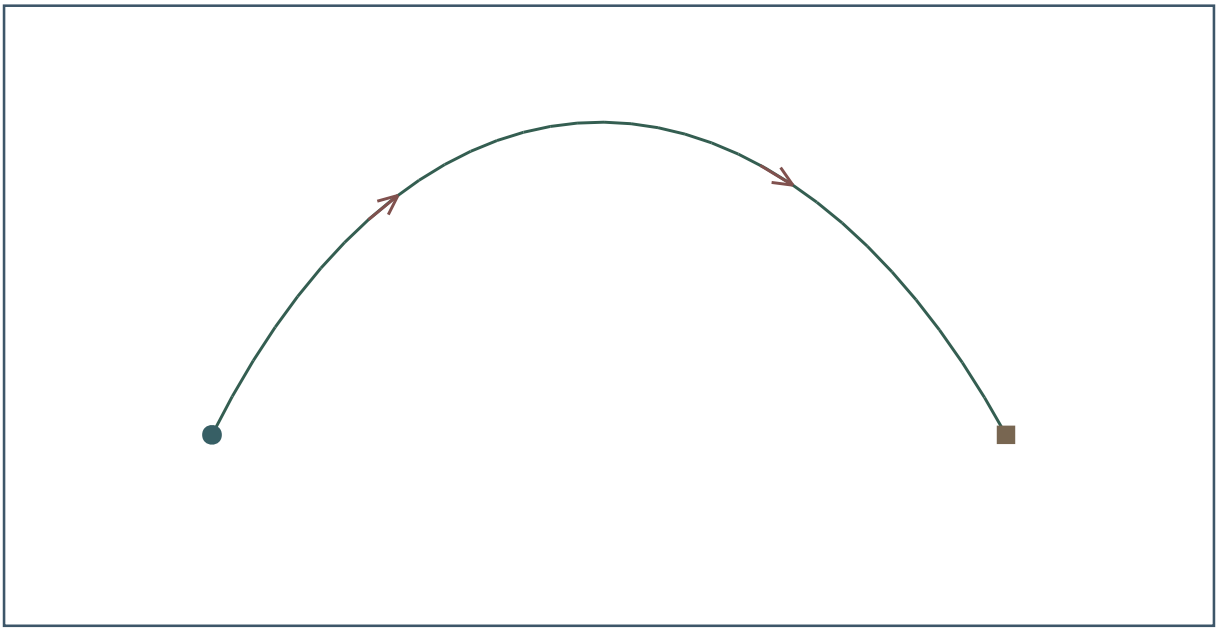
Answer | Task 3 of 4 | A4

Original prompt

Task 3: trace the curved path from the left start dot to the right stop mark, following the stroke arrows along the curve.

Completed trace



Answer

A curved trace from the left start dot to the right stop mark, following the arrows along the curve.

Reasoning

The start dot is on the left, the arrows follow the curve, and the stop mark is on the right.

Check

The trace stays on the curve, follows the arrows, and ends at the stop mark.

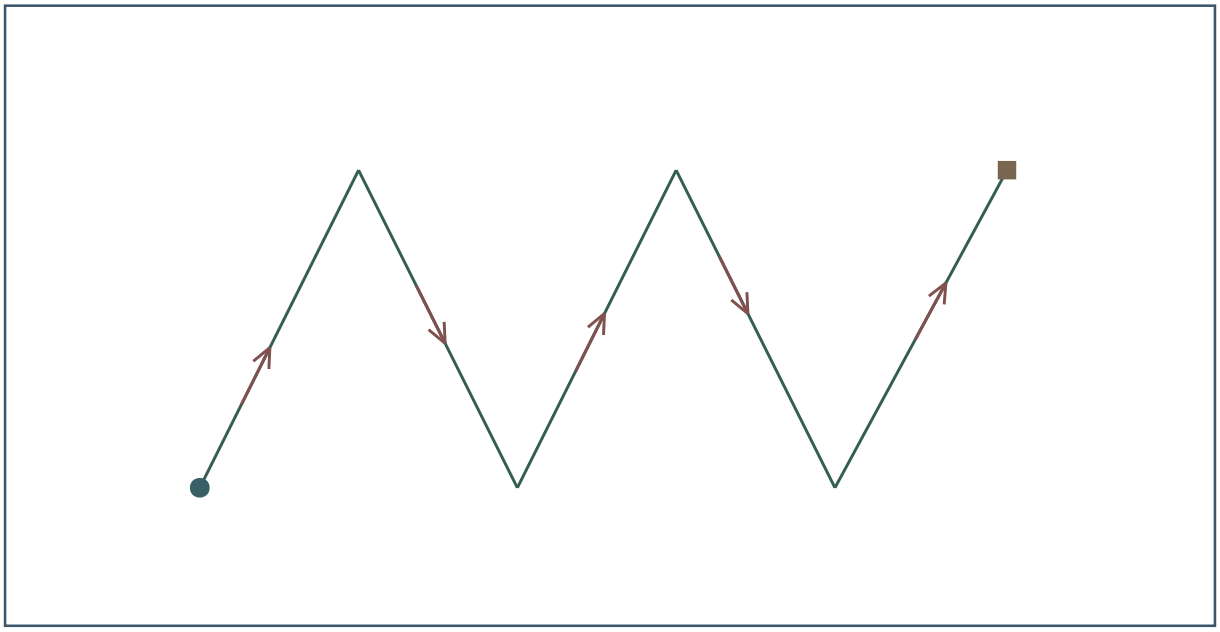
Answer | Task 4 of 4 | A4

Original prompt

Task 4: trace the zigzag path from the left start dot to the right stop mark, following the stroke arrows along the zigzag.

Completed trace



Answer

A zigzag trace from the left start dot to the right stop mark, following the arrows along each zigzag turn.

Reasoning

The start dot is on the left, the arrows follow the zigzag, and the stop mark is on the right.

Check

The trace follows each zigzag turn, follows the arrows, and ends at the stop mark.
