# Draw a Halloween Spider on Grid Paper

Student | Task 1 of 4 | LETTER

## Original prompt

Task 1: Copy the reference spider onto a blank grid of the same size, matching the body and all legs square by square.

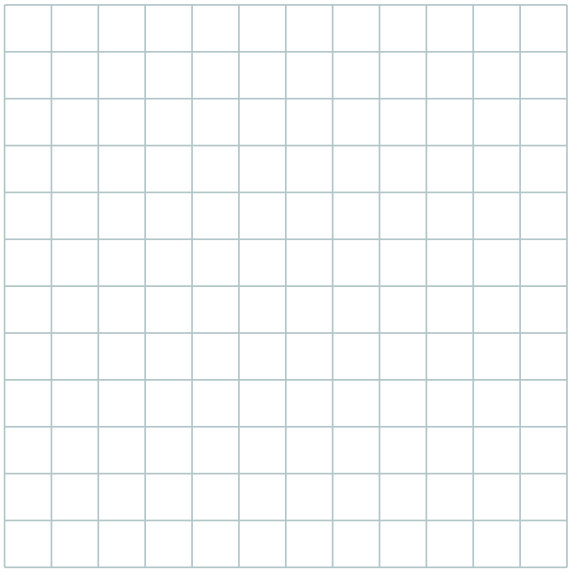
Your grid



## Your square-by-square check

# Draw a Halloween Spider on Grid Paper

Student | Task 2 of 4 | LETTER

## Original prompt

Task 2: Draw the same spider but make the body slightly larger, keeping the leg pattern the same. Explain which squares changed and which stayed the same in your answer space below the grid.

## Squares that changed and squares that stayed the same

# Draw a Halloween Spider on Grid Paper

Student | Task 3 of 4 | LETTER

## Original prompt

Task 3: Draw the spider on a grid, then add a simple Halloween background element (such as a moon or a web corner) in the squares where it fits without covering the spider.

# Draw a Halloween Spider on Grid Paper

Student | Task 4 of 4 | LETTER

## Original prompt

Task 4: Look at your Task 1 drawing and the reference side by side. Find one part that matches well and one part that could be improved, and redraw only the improved part on a fresh grid.
