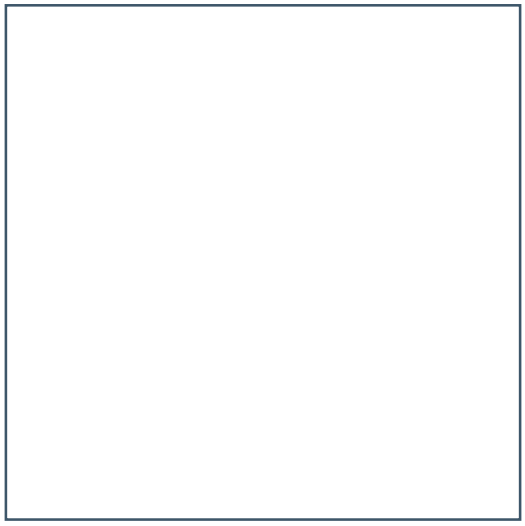
Printable Paper Games

Student | Task 1 of 4 | A4

Original prompt

Task 1: On a blank three-by-three grid, draw the grid lines and mark a game in which O wins on the middle column. Then state the check.



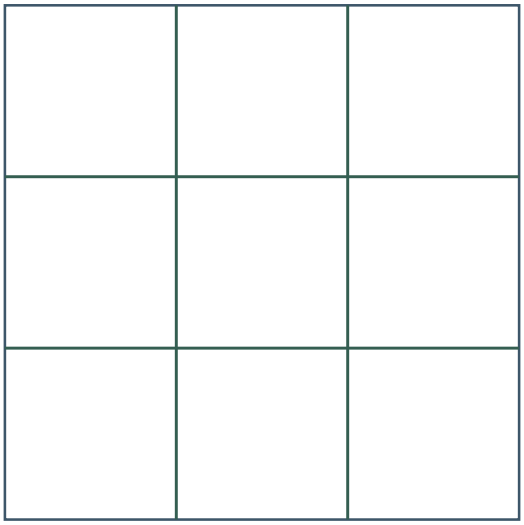
Your answer and check

Printable Paper Games

Student | Task 2 of 4 | A4

Original prompt

Task 2: Mark a game that ends in a draw on a full three-by-three grid, with no line of three identical marks. Then state the check.



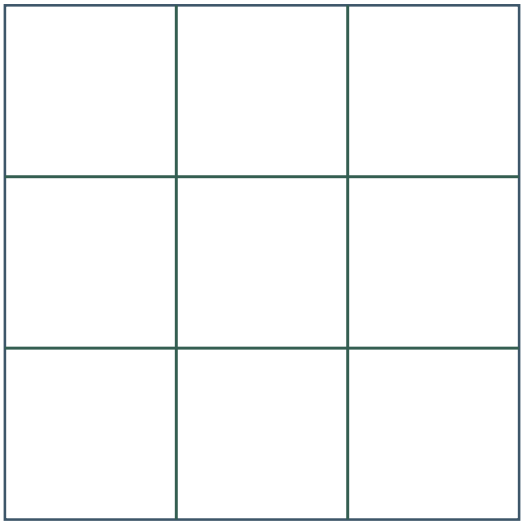
Your answer and check

Printable Paper Games

Student | Task 3 of 4 | A4

Original prompt

Task 3: Write the four rules in short form as they would appear printed under a grid, then mark a game in which X wins on a diagonal.



Your answer and check

Printable Paper Games

Student | Task 4 of 4 | A4

Original prompt

Task 4: Design a printable sheet layout: describe where the grid, rules block, player-name line, and filled example go, then mark a short game in which X wins on the bottom row.
