# Draw a Realistic Mushroom

Student | Task 1 of 4 | A4

## Original prompt

Task 1: Observe the reference and write three specific observations about cap shape, cap texture, and the cap-stem overlap.

Cap shape

Cap surface

Cap-to-stem overlap

# Draw a Realistic Mushroom

Student | Task 2 of 4 | A4

## Original prompt

Task 2: Construct the mushroom form in light lines, showing the cap dome, the stem, and the overlap.

Draw your light construction

# Draw a Realistic Mushroom

Student | Task 3 of 4 | A4

## Original prompt

Task 3: Shade the mushroom in graphite, using directional strokes for cap texture and smoother strokes for the stem.

Make your graphite study

# Draw a Realistic Mushroom

Student | Task 4 of 4 | A4

## Original prompt

Task 4: Compare your shaded drawing with the reference and revise one area to improve cap texture or stem depth.

What I observed

What I changed

Sketch your revised area
