Student | Task 2 of 4 | LETTER

Original prompt

Task 2: Redesign the five bands as varied shapes (for example wave, arch, step, leaf, and block) while keeping the same light-to-dark order, then shade them evenly. This is a design choice, not a fixed rule; any varied shapes that hold the order are acceptable.

Student | Task 4 of 4 | LETTER

Original prompt

Task 4: Draw a five-band plate with a single light source direction chosen by you, so each band's shading is slightly lighter on one side and darker on the other, while the overall light-to-dark order is still readable.
