Pinochle Score Sheet

Reference | Blank score sheet | A4

Hand	A meld	A tricks	A total	B meld	B tricks	B total

Pinochle Score Sheet

Reference | Worked example | A4

Original prompt

Fill one hand row for Partnership A with meld 40 and tricks 60, and for Partnership B with meld 20 and tricks 80.

A and B identify the two partnerships.

Hand	A meld	A tricks	A total	B meld	B tricks	B total
1	40	60	100	20	80	100
2	30	70	200	50	50	200

Answer

Partnership A total 100; Partnership B total 100.

Reasoning

Meld and trick entries are written in their own columns, then added to give the total.

Check

Add meld plus tricks for each partnership and confirm the sum appears in the total column.
