Scoring Board Template

Student | Task 1 of 4 | A4

Original prompt

Task 1: Observe and count. From the filled example board, state how many tally marks are in Player A's column 2 and Player C's column 4. Describe your counting method.

Player	Column 2	Column 4
A		
C

Scoring Board Template

Student | Task 2 of 4 | A4

Original prompt

Task 2: Construct a blank board. Draw a scoring board with four numbered columns (1 to 4) and two rows labelled X and Y. Ensure each cell can hold at least ten tally marks.

Your response and checks

Scoring Board Template

Student | Task 3 of 4 | A4

Original prompt

Task 3: Redraw a given score. Player X has scores: column 1 = 4, column 2 = 6, column 3 = 2, column 4 = 8.
Draw the tally marks in the correct cells of your board from Task 2.

Player	1	2	3	4
X				
Y

Scoring Board Template

Student | Task 4 of 4 | A4

Original prompt

Task 4: Check and correct. A classmate drew Player Y's scores as: column 1 = 3, column 2 = 5, column 3 = 7, column 4 = 1. They claim the total is 15. Check their tally marks and total, then correct any error.

Player	1	2	3	4
X				
Y				

Reported total: 15
