Draw Houses in Perspective

Student | Task 1 of 4 | LETTER

Original prompt

Task 1: Draw a single house block in two-point perspective with a pitched roof, and label the horizon line, both vanishing points, and the roofline.

Your drawing and straightedge check

Draw Houses in Perspective

Student | Task 2 of 4 | LETTER

Original prompt

Task 2: Extend Task 1 into a row of three houses along a receding ground line, keeping both vanishing points fixed, and label each roofline.

Your drawing and straightedge check

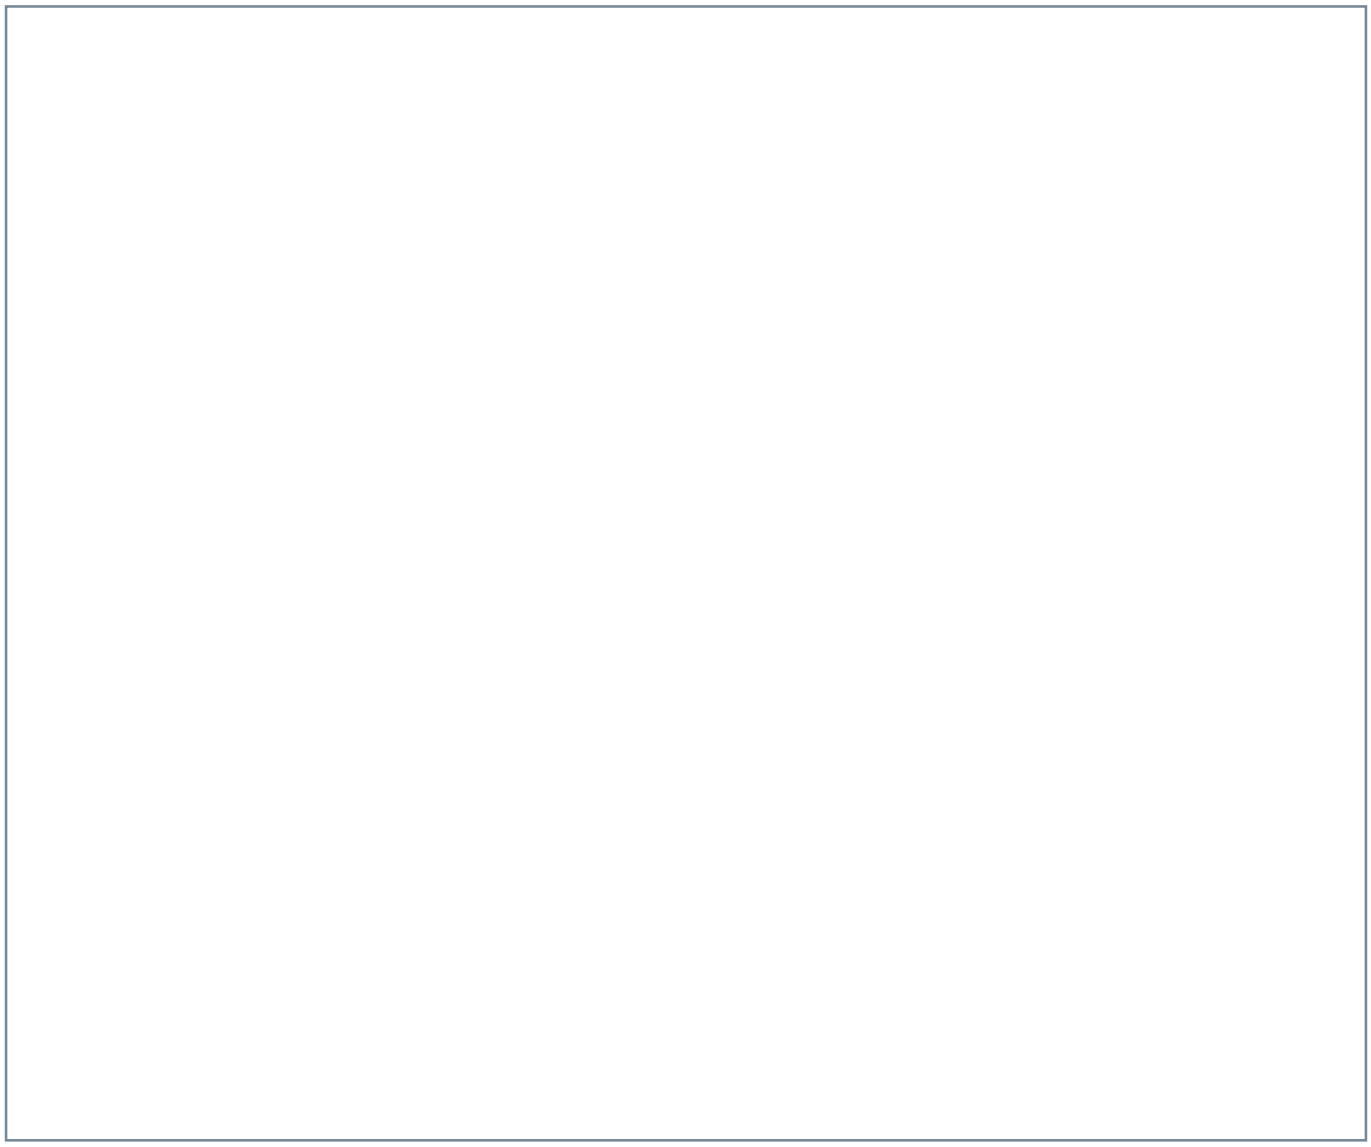

Draw Houses in Perspective

Student | Task 3 of 4 | LETTER

Original prompt

Task 3: Redraw the row so the houses overlap and vary in height, and annotate where overlap creates depth.

Your drawing and straightedge check

Draw Houses in Perspective

Student | Task 4 of 4 | LETTER

Original prompt

Task 4: Produce a final annotated plate of a row of houses in two-point perspective, with a short written note explaining how the rooflines and depth were kept consistent.

Your drawing and straightedge check

Your note on rooflines and depth
