Draw a One-Point Perspective Bird's Eye

Student | Task 1 of 4 | LETTER

Original prompt

Task 1 — Grid only: draw a bird's-eye overhead grid with one vanishing point, across lines parallel to the picture edge, receding lines aiming at the point, spacing tightening toward it.

Draw a One-Point Perspective Bird's Eye

Student | Task 4 of 4 | LETTER

Original prompt

Task 4 — Redraw and correct: take a bird's-eye plate with one receding edge missing the vanishing point and one tilted across edge, and redraw it correctly on the grid.

Given grid and slab to check
