Flag Address Labels

Student | Task 1 of 4 | A4

Original prompt

Task 1: Sketch a label sheet with three labels in one row. Put a different flag variant on each label and a text field beside each flag. Add cut guides around each label.

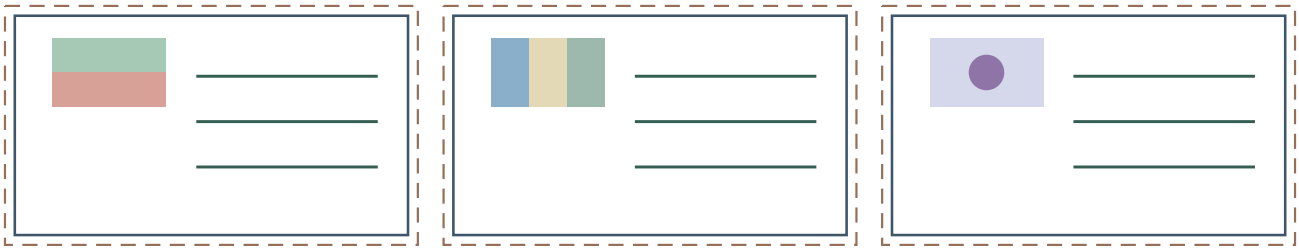
Your sketch or corrections

Flag Address Labels

Student | Task 2 of 4 | A4

Original prompt

Task 2: Take the three-label row from Task 1 and fill the middle label as a model. Write a name line and two address lines inside its text field.



Fill the middle label. Use this space for notes.

Flag Address Labels

Student | Task 3 of 4 | A4

Original prompt

Task 3: Redraw the sheet as a two-by-two grid of four labels. Use two flag variants, each repeated twice, and add cut guides between rows and columns.

Your sketch or corrections

Flag Address Labels

Student I Task 4 of 4 I A4

Original prompt

Task 4: Check a finished sheet. The bottom-right label's text runs past its cut guide and the flag overlaps the name line. Describe the two problems and state one fix for each.

Given sheet. Inspect the bottom-right label.
