Charcoal Drawing Pencils

Student | Task 1 of 4 | A4

Original prompt

Draw a short line and a shaded patch for Light, Medium and Dark from one charcoal pencil range. Label each row with its printed grade.

Put a line and patch in each grade box

Light

Medium

Dark

Record your result and the reason

Charcoal Drawing Pencils

Student | Task 2 of 4 | A4

Original prompt

Use the Light and Dark pencils from your chart. Make two equal patches with similar pressure, then identify the pencil you would try first for the stronger shadow.

Make two equal patches

Light patch

Dark patch

Record your result and the reason

Charcoal Drawing Pencils

Student | Task 3 of 4 | A4

Original prompt

Draw two equal patches with your Medium pencil. Keep one edge crisp and blend the other with a clean paper stump. Label both and describe the edge change.

Blend one of the two boundaries

Crisp boundary

Blended boundary

Record your result and the reason

Charcoal Drawing Pencils

Student | Task 4 of 4 | A4

Original prompt

Choose one pencil for a soft shadow and one for a short accent. Make a sample for each choice and explain it with observations from your chart.

Record a shadow and an accent

Soft shadow sample

Short accent sample

Record your result and the reason
