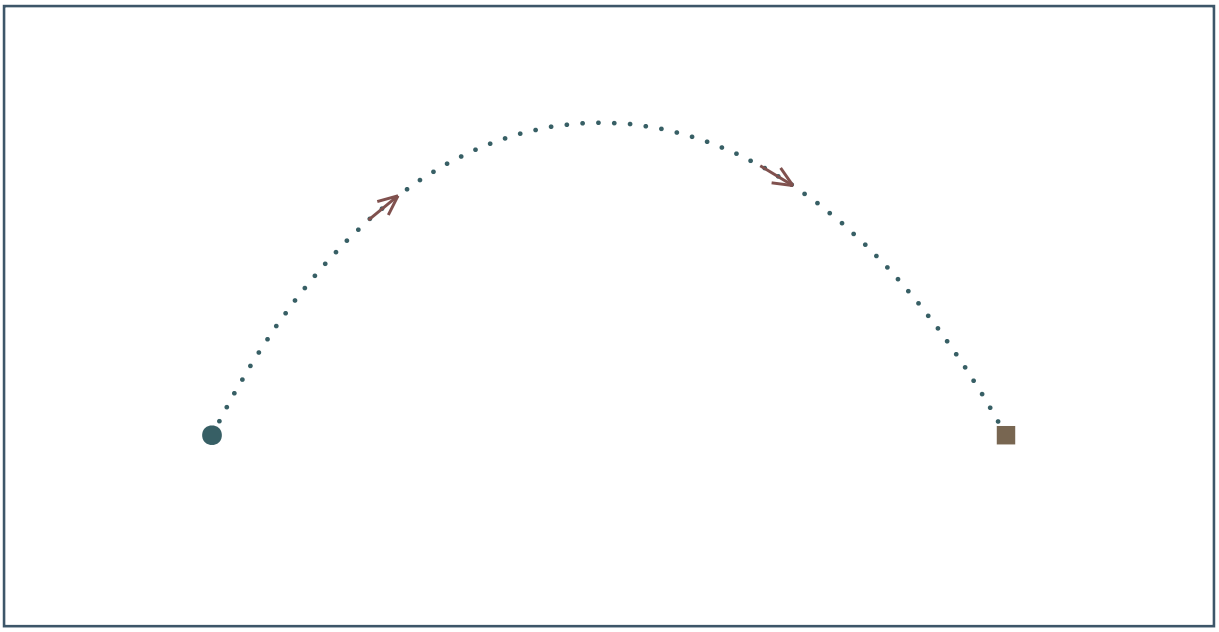
Preschool Line Drawing Practice

Reference | Start and finish marks | A4

How to use this sheet

Start at the round dot. Follow the arrows along the guide and finish at the small square.

Begin at the round dot. Follow the arrows.



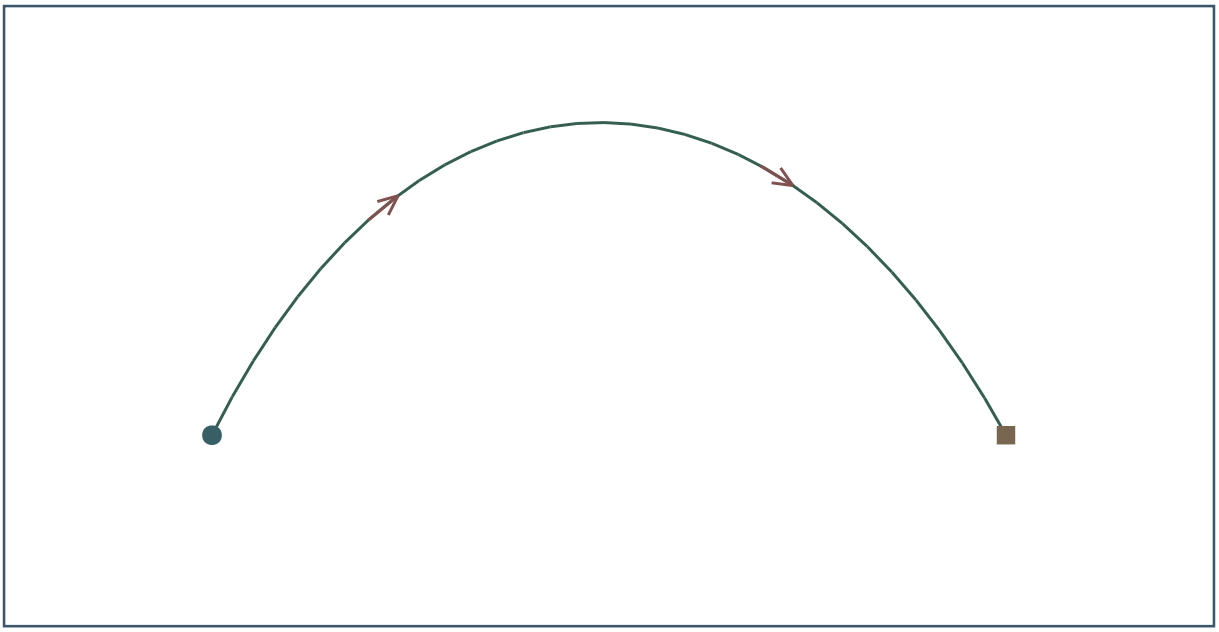
Preschool Line Drawing Practice

Reference | Worked tracing | A4

Original prompt

Trace the curved path from the start dot to the stop mark, following the stroke arrows.

Completed trace



Answer

A curved trace beginning at the left start dot, following the left-to-right arrows along the curve, and ending at the right stop mark.

Reasoning

The start dot fixes the beginning, the arrows fix the direction, and the stop mark fixes the end.

Check

Look at the trace: it stays on the path, follows the arrows, and reaches the stop mark.
