Brick Pattern Paper

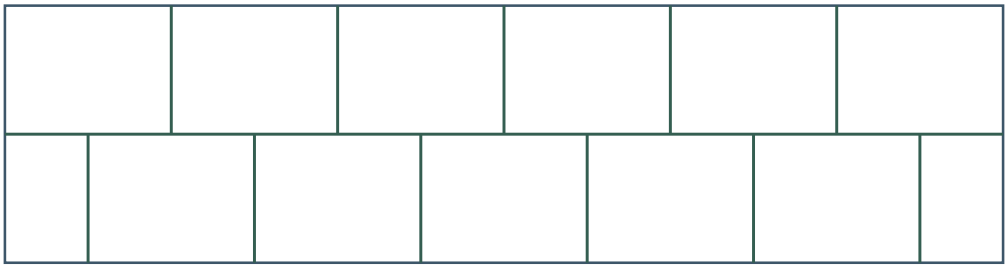
Student | Task 3 of 4 | A4

Original prompt

Task 3: Given a sheet where row 1 starts with a full brick and row 2 starts with a half brick, what is the offset? Draw two more rows continuing the pattern.



Your layout and checks

Brick Pattern Paper

Student | Task 4 of 4 | A4

Original prompt

Task 4: Draw a two-row brick layout with zero offset. Explain why its joints align instead of forming the staggered pattern used in the other exercises.
