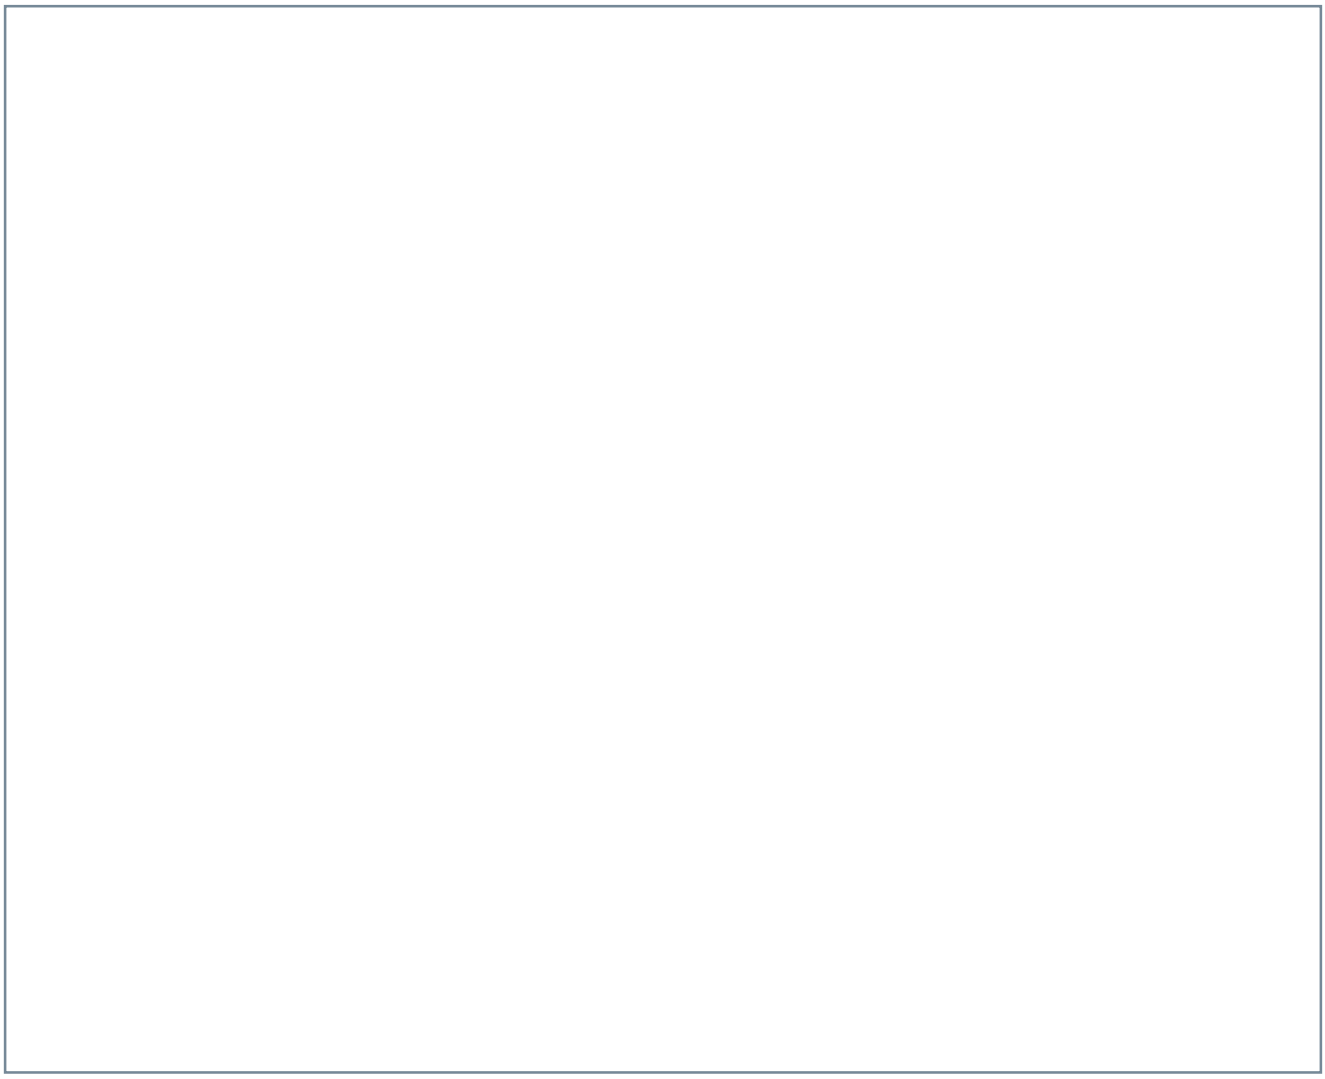
Linework Drawing Practice

Student | Task 1 of 4 | A4

Original prompt

Task 1: On a fresh plate, fill the straight-stroke band with a row of straight strokes drawn in one direction, then check them against the reference plate.

Your work and check



Linework Drawing Practice

Student | Task 2 of 4 | A4

Original prompt

Task 2: Fill the curved-stroke band with smooth arcs of the same curvature, then check each arc for kinks or flat spots.

Your work and check

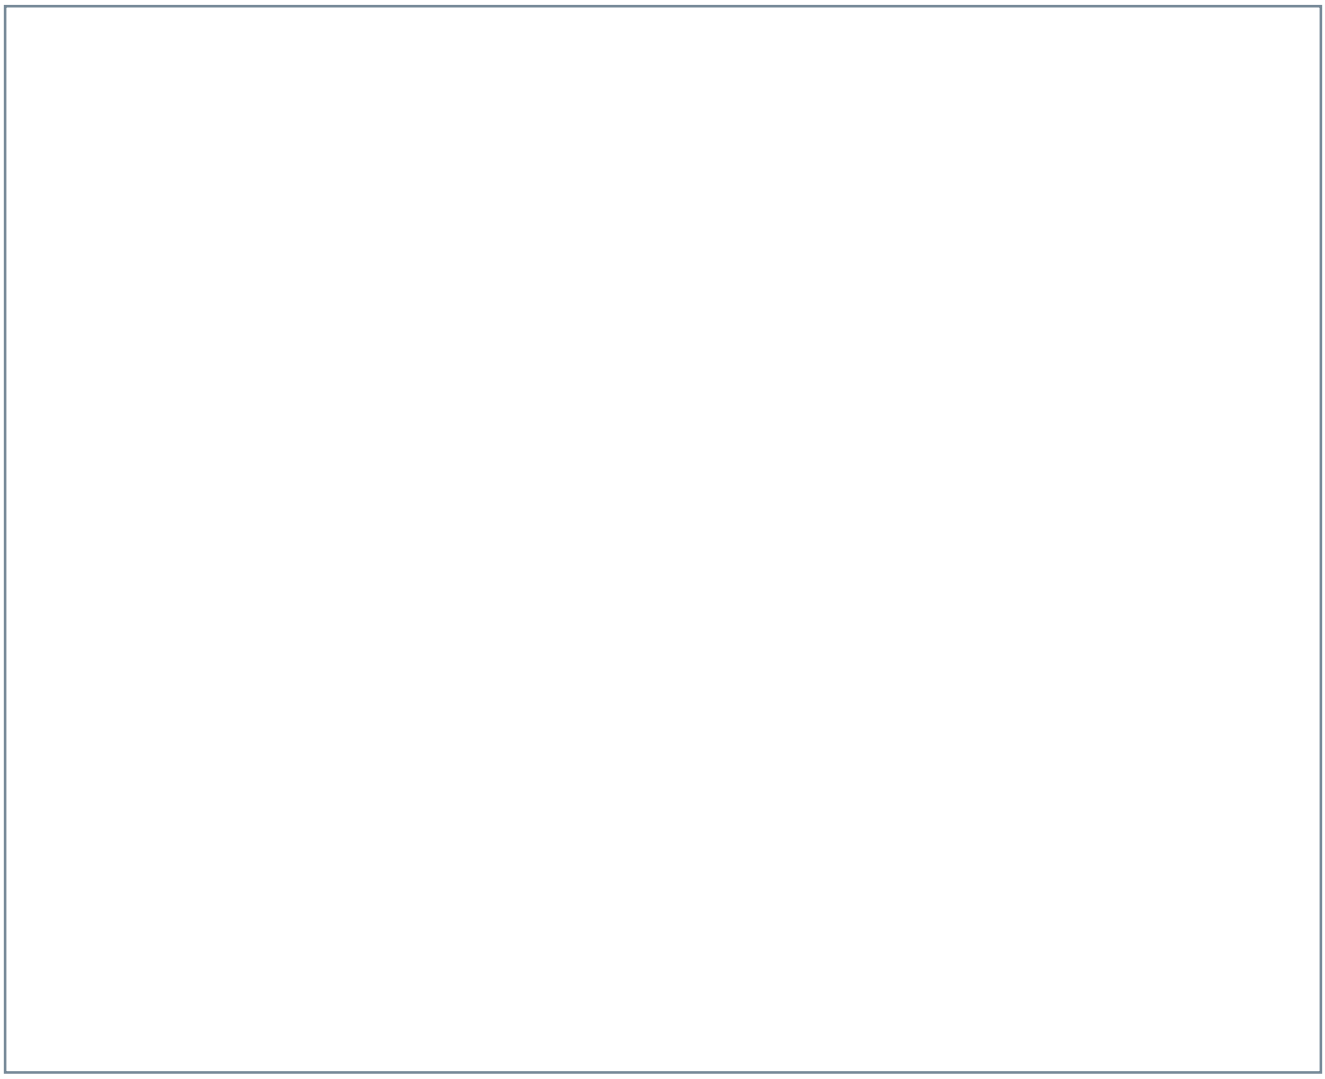
Linework Drawing Practice

Student | Task 3 of 4 | A4

Original prompt

Task 3: Fill the hatching band with a short set of parallel strokes, keeping the spacing even, then check the set against the reference plate.

Your work and check



Linework Drawing Practice

Student | Task 4 of 4 | A4

Original prompt

Task 4: Combine the three stroke families on one plate: a straight stroke, a curved stroke and a hatching set, then check each part against its band on the reference plate.

Straight strokes

Smooth arcs

Hatching
