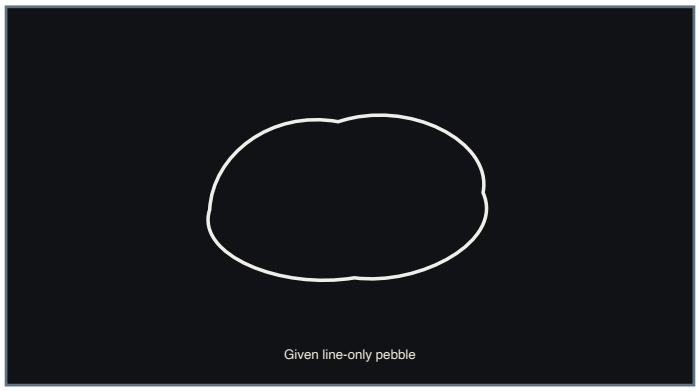
White Pen Drawing on Black Paper

Student | Task 1 of 4 | LETTER

Original prompt

Task 1 — Line copy: on black paper, copy the reference plate's line-only version of the simple subject using clean white lines, keeping each stroke even and unbroken.



Given line-only pebble

Use the blank frame to plan or record your marks. Make the drawing on black paper, as the prompt asks.

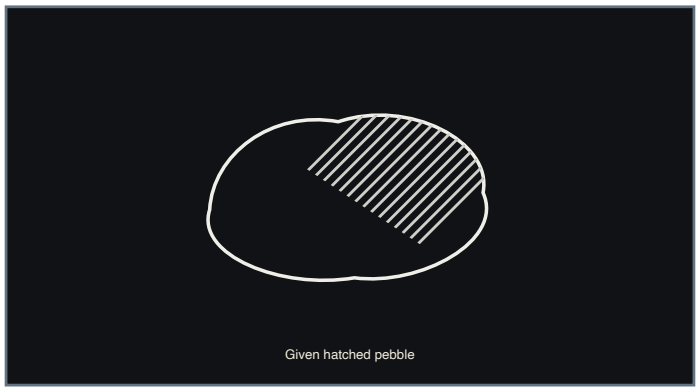
Blank work area

White Pen Drawing on Black Paper

Student | Task 2 of 4 | LETTER

Original prompt

Task 2 — Hatch copy: on black paper, copy the reference plate's hatched version of the same subject, using close parallel white strokes for the lit areas and leaving the shadow areas bare.



Given hatched pebble

Use the blank frame to plan or record your marks. Make the drawing on black paper, as the prompt asks.

Blank work area

White Pen Drawing on Black Paper

Student | Task 3 of 4 | LETTER

Original prompt

Task 3 — Build a hatched shape: on black paper, draw one simple rounded shape with a clean white outline, then hatch only its upper-right half with close parallel strokes and leave the lower-left bare.

Use the blank frame to plan or record your marks. Make the drawing on black paper, as the prompt asks.

Blank work area

White Pen Drawing on Black Paper

Student | Task 4 of 4 | LETTER

Original prompt

Task 4 — Compare and choose: on black paper, draw the same simple subject twice, once with lines only and once with hatching, then write one sentence saying which version better shows an edge and which better shows a surface.

Two blank drawing spaces

Line only

Hatching

Comparison sentence: _____

Blank work area
