Step-by-Step Drawing Practice for Kids

Answer | Task 1 of 4 | LETTER

Original prompt

Task 1: Draw a small flower in the blank practice box.

Answer

A small circle in the middle, five petal loops around it, and one straight stem going down from the bottom of the circle.

Reasoning

The flower uses one closed shape, repeated loops, and one straight line, which practises steady hand movement and counting five petals.

Check

Check that there is one middle circle, five petals, and one stem. Count the petals aloud.

Answer | Task 2 of 4 | LETTER

Original prompt

Task 2: Draw a small house in the blank practice box.

Answer

A square body, a triangle roof on top, a small rectangle door at the bottom middle, and a small square window on the side.

Reasoning

The house combines a square, a triangle, a rectangle, and a square, so the child practises joining shapes and placing parts in the right position.

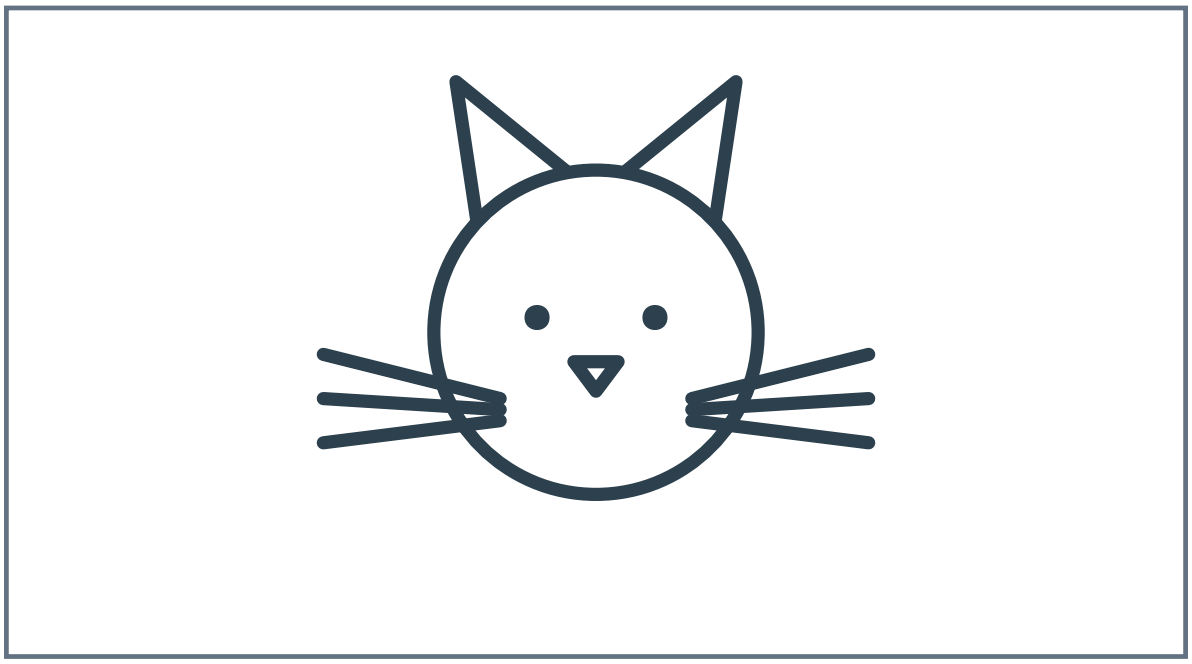

Check

Check that the roof sits on top of the square, the door is at the bottom, and the window is on the side.

Original prompt

Task 3: Draw a small cat face in the blank practice box.

Answer

A large circle for the head, two triangle ears on top, two dot eyes, a small triangle nose, and three short lines on each side for whiskers.

Reasoning

The cat face uses a big circle, two triangles, dots, and short repeated lines, which practises placing small features inside a shape.

Check

Check that there are two ears on top, two eyes, one nose, and whiskers on both sides.

Step-by-Step Drawing Practice for Kids

Answer | Task 4 of 4 | LETTER

Original prompt

Task 4: Draw a small boat on water in the blank practice box.

Answer

A curved boat shape (a half-circle open at the top), one straight mast line going up from the middle, one triangle sail on the mast, and two wavy lines below the boat for water.

Reasoning

The boat combines a curved shape, a straight line, a triangle, and wavy lines, so the child practises different line types in one small drawing.

Check

Check that the boat is curved, the mast is straight, the sail is a triangle, and there are wavy water lines below.
