# Pen and Ink Techniques Worksheet

Student | Task 1 of 4 | A4

## Original prompt

Drill 1: Hatching value ladder. Draw four equal squares and hatch them light to dark using spacing and one cross layer only.

## Your work and check

# Pen and Ink Techniques Worksheet

Student | Task 2 of 4 | A4

## Original prompt

Drill 2: Stipple density patch. Draw one square split into four vertical bands and stipple them sparse to dense with even dot size.

## Your work and check

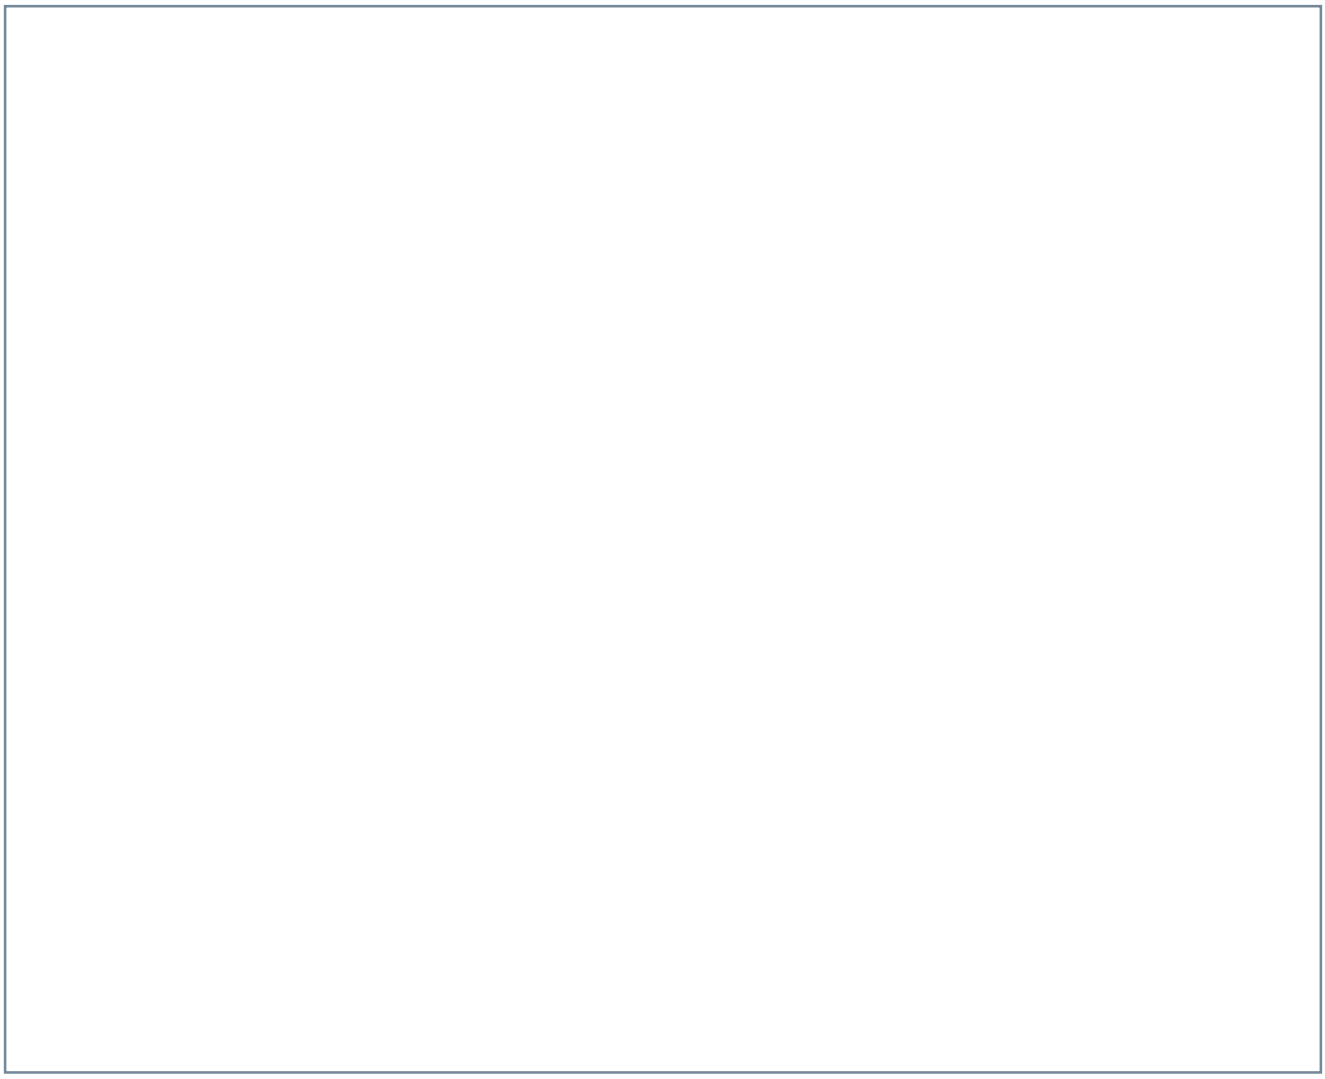
# Pen and Ink Techniques Worksheet

Student | Task 3 of 4 | A4

## Original prompt

Drill 3: Wash layering test. Draw three equal rectangles and apply one, two and three pale wash layers, letting each dry before the next.

## Your work and check



# Pen and Ink Techniques Worksheet

Student | Task 4 of 4 | A4

## Original prompt

Drill 4: Combined technique study. Draw one small simple shape (such as a leaf outline) and render it using hatching for shadow, stipple for midtone and wash for the lightest area.
