

Repeated middle value

Place one dot for each observation above its numerical value. Stack repeated values vertically; this is a frequency display, not a time sequence.

Values: -2, -1, -1, 0, 0, 0, 0, 1, 2, 2, 3

1. List value frequencies. -2:1, -1:2, 0:4, 1:1, 2:2, 3:1.
2. Which value(s) are most frequent? Most frequent value(s): 0.
3. Should dots be connected? Dots stack one per observation; do not connect them.

Original practice data / coordinate units, not ruler measurements / physical printing not tested
