

Letter and A4: choose before printing

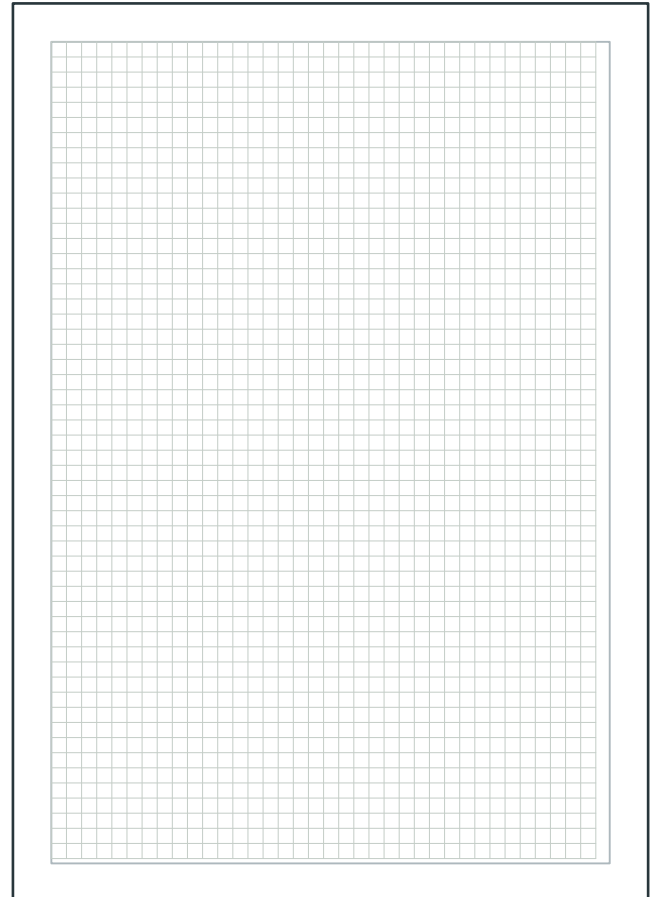

Compare paper dimensions, not the size of a browser preview. The drawings below are at 40% scale. Choose the PDF and printer tray matching the physical paper.

LETTER

215.9 x 279.4 mm

A4

210 x 297 mm

Letter is 5.9 mm wider; A4 is 17.6 mm taller. With assumed 12.7 mm margins: Letter usable 190.5 x 254 mm; 38 x50 whole 5 mm cells=1900. A4 usable 184.6 x 271.6 mm; 36 x54 cells=1944.

Both sheets retain the same mathematical 5 mm grid spacing when generated at full size. These reduced diagrams do not. No physical print test has been performed; calibrate an actual print separately.
