

A steep rising line

Construct the line from its equation. In $y=mx+b$, m is the signed slope and $(0,b)$ is the y -intercept.

$y = 2x - 1$. Table x values: -2, 0, 2. Every grid interval is 1 unit.

1. Identify m , b and the y -intercept. _____
2. Calculate the three table y values. _____
3. Draw the line through the correct points. _____
