Printable Ruled Notebook Paper With Margin and Binder-Hole Guides

Original tasks 1, 2 / independent work

Task 1

Measure a binder's ring-center spacing and edge-to-hole-center distance, then state whether printed guides at different values should be adjusted.

Task 2

A test print shows the margin line complete but the lowest guide circle clipped. What is the next step?

Printable Ruled Notebook Paper With Margin and Binder-Hole Guides

Original tasks 3, 4 / independent work

Task 3

Explain why the wider-rule page holds less text than the standard page at the same page size.

Task 4

Give one reason not to switch rule spacing mid-page in a continuous passage.
