Original tasks 1, 2, 3 / blank responses

Task 1

Copy a three-line excerpt onto numbered lines using one guide per line. Then copy the same excerpt with a gap of two guides per line. Compare the two.

Task 2

Copy two short paragraphs onto the second page, leaving one blank line between them. Then copy them again with two blank lines. Which gap is clearer for reading?

Task 3

Measure the distance between two consecutive numbered lines on your printed sheet with a ruler. Record the value. Then measure the gap you left between paragraphs.
