Script Handwriting Practice Sheets with Guide Lines: Planning Guide

Original tasks 1, 2 / independent work

Task 1

Plan a guide-line row for the lowercase letter m with a baseline and top line 1.5 cm apart. Describe the model, tracing, and blank sections.

Task 2

Write a short word in script on a blank guide-line row, then list two rubric criteria you would use to review it.

Script Handwriting Practice Sheets with Guide Lines: Planning Guide

Original tasks 3, 4 / independent work

Task 3

Explain why a blank guide-line page is included after tracing rows.

Task 4

Design a rubric check for a script letter that is legible but slightly taller than the model.
