Kindergarten Writing Paper: Wide Baseline and Spacing Guides Explained

Original task 1 / independent drawing and calculation

Task 1

Sketch a kindergarten ruled sheet with a top line, baseline, and vertical spacing marks. Explain where a child should place the letter “o”.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Kindergarten Writing Paper: Wide Baseline and Spacing Guides Explained

Original task 2 / independent drawing and calculation

Task 2

Design a picture-box variant for the word “sun”. Describe the drawing area and the writing area.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Kindergarten Writing Paper: Wide Baseline and Spacing Guides Explained

Original task 3 / independent drawing and calculation

Task 3

A child writes “cat” with all letters floating above the baseline. What rubric criterion is not met, and what support could you offer?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Kindergarten Writing Paper: Wide Baseline and Spacing Guides Explained

Original task 4 / independent drawing and calculation

Task 4

Create a simple rubric for assessing a kindergarten picture-box writing task. List three criteria.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
