Printable Legal-Pad Ruled Sheet: Margin, Header Line, and Numbered-Line Variant

Original task 1 / independent drawing and calculation

Task 1

A hypothetical sheet is 8.5 inches wide with a 1.25-inch left margin. What is the writing width before any right margin?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Printable Legal-Pad Ruled Sheet: Margin, Header Line, and Numbered-Line Variant

Original task 2 / independent drawing and calculation

Task 2

A hypothetical sheet has a 0.75-inch header band and rules spaced 0.25 inch apart. If the first rule starts 0.25 inch below the header band, where does the second rule sit relative to the top?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Printable Legal-Pad Ruled Sheet: Margin, Header Line, and Numbered-Line Variant

Original task 3 / independent drawing and calculation

Task 3

Design a numbered-line variant for a hypothetical sheet with 20 writing rules. State your numbering start, how numbers align to rules, and how you would verify the layout.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Printable Legal-Pad Ruled Sheet: Margin, Header Line, and Numbered-Line Variant

Original task 4 / independent drawing and calculation

Task 4

A hypothetical sheet uses a yellow tint behind the rules. Explain why it should be checked in grayscale before use, and state one concrete check you would perform.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
