Highlighter Paper: Colored Guide Bands for Line Placement

Original task 1 / independent drawing and calculation

Task 1

Sketch a hypothetical layout with 9 mm baseline spacing and one 5 mm band above each baseline. State where the band's lower edge sits.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

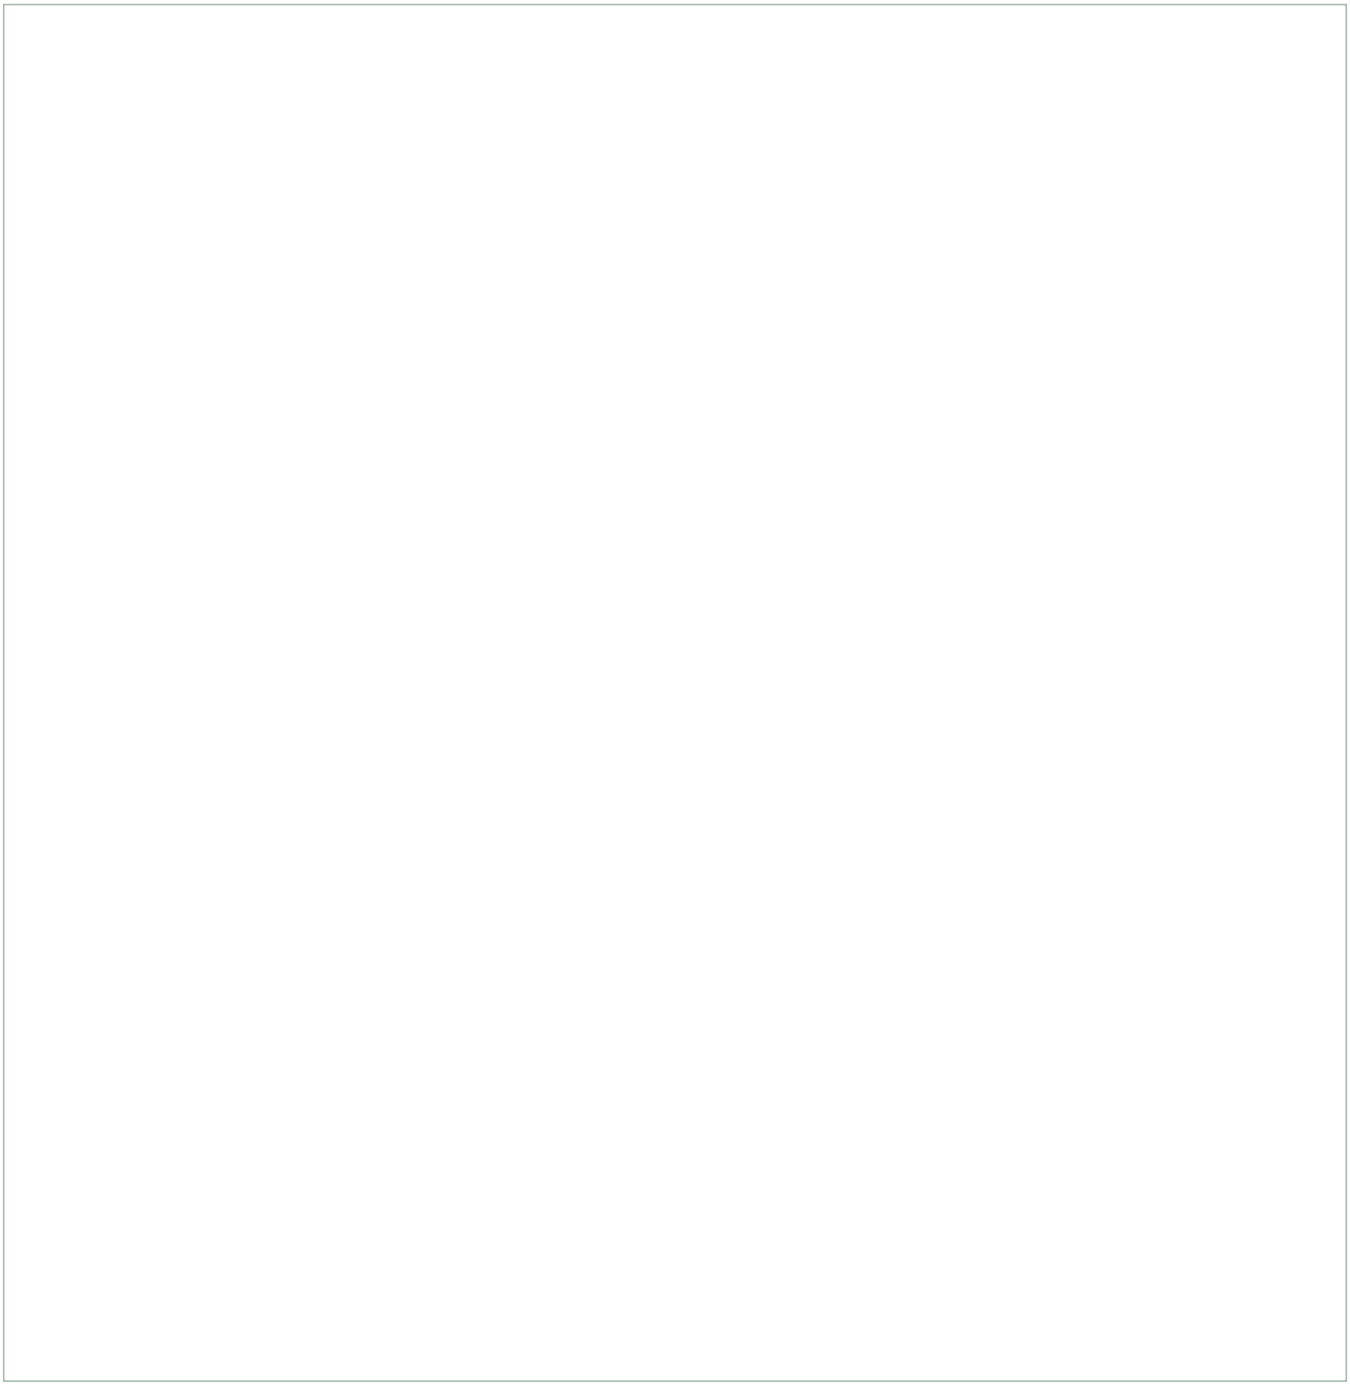

Highlighter Paper: Colored Guide Bands for Line Placement

Original task 2 / independent drawing and calculation

Task 2

You have a standard page and a lighter-band page with identical band positions. A writer says the lighter page is harder to follow. What should you check first?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Highlighter Paper: Colored Guide Bands for Line Placement

Original task 3 / independent drawing and calculation

Task 3

Plan a hypothetical page with alternating band colors between writing lines. What must stay consistent for the page to support line placement?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Highlighter Paper: Colored Guide Bands for Line Placement

Original task 4 / independent drawing and calculation

Task 4

Create a rubric for judging a highlighter paper layout. Include at least three criteria.

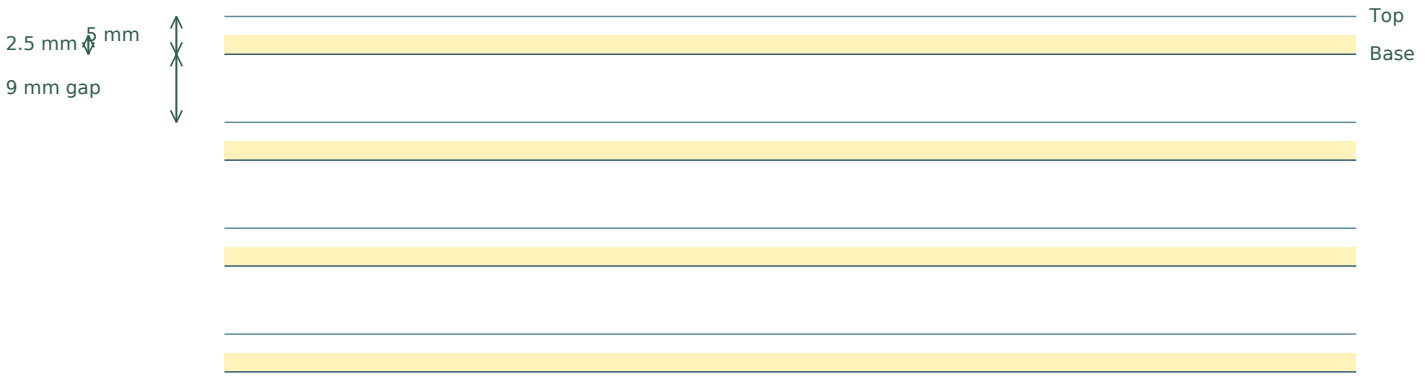

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.

Highlighter Paper: Colored Guide Bands for Line Placement

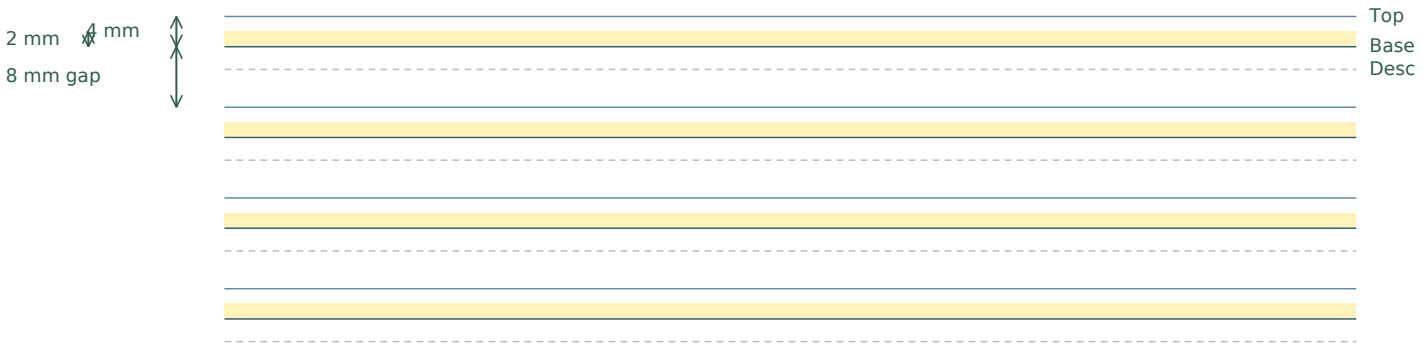

Practice: 9 mm baselines with 5 mm band above each baseline

Chosen layout for task 1: 9 mm baseline spacing, one 5 mm band above each baseline.

Highlighter Paper: Colored Guide Bands for Line Placement

Practice: alternating band colors between writing lines

Chosen layout for task 3: alternating band colors between writing lines; line spacing, band width, and baseline relationship stay consistent.
