Types of Lined Paper: Ruling Comparison Chart With Spacing and Use Notes

Planned Worksheet — Blank Strips for Tracing or Pasting

Blank strips for tracing or pasting, distinct from the non-writable chart. This worksheet is separate from the chart.

Types of Lined Paper: Ruling Comparison Chart With Spacing and Use Notes

Original tasks 1, 2, 3 / blank responses

Task 1

Measure a lined sheet's baseline spacing at three places and record midline presence.

Task 2

A sheet labeled college is offered for general notes. What should you do before choosing it?

Task 3

Draft a short quick-select guide outline for four tasks: guided practice, general notes, compact writing, large-letter practice.

Types of Lined Paper: Ruling Comparison Chart With Spacing and Use Notes

Original tasks 4 / blank responses

Task 4

Explain why a 9 mm sheet with a midline is not automatically primary ruling.
