Double-Lined Paper: Paired Guide Lines for Handwriting Practice

Original tasks 1, 2 / independent work

Task 1

On a hypothetical double-ruled sheet with a 7 mm band and a 7 mm gap, write the word 'man' and state where each letter sits relative to the rules.

Task 2

Write 'hang' on the same hypothetical sheet and describe the placement of the ascender and descender.

Double-Lined Paper: Paired Guide Lines for Handwriting Practice

Original tasks 3, 4 / independent work

Task 3

A writer's letters are consistently crossing the upper rule. Propose one change and explain why.

Task 4

Design a rubric check for a page of double-ruled practice, listing three criteria and one acceptable variation.
