Lined Stationery Template: Ruled Writing Area with Decorative Header

Original tasks 1, 2 / independent work

Task 1

A hypothetical sheet is 250 mm tall with 12 mm top and bottom margins and a 35 mm header. What writing height remains?

Task 2

Using the 191 mm writing height from the previous task, how many 7 mm lines fit, and how much slack remains?

Lined Stationery Template: Ruled Writing Area with Decorative Header

Original tasks 3, 4 / independent work

Task 3

Design a header motif for a lined stationery sheet. Use the rubric to judge balance, contrast, and legibility rather than a single correct drawing.

Task 4

A footer motif is planned for the second page. State two measurements you must verify with your own equipment before finalizing the template.
