Original task 3 / independent drawing and calculation

Task 3

Design a single-line stave page layout for a rhythm worksheet: three staves, each with four measures in 4/4, and beat-count markers above each stave. Describe spacing and guide placement without claiming exact printer dimensions.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace
