Bold Lined Paper: Heavy-Rule Handwriting Sheets for Clear Letter Placement

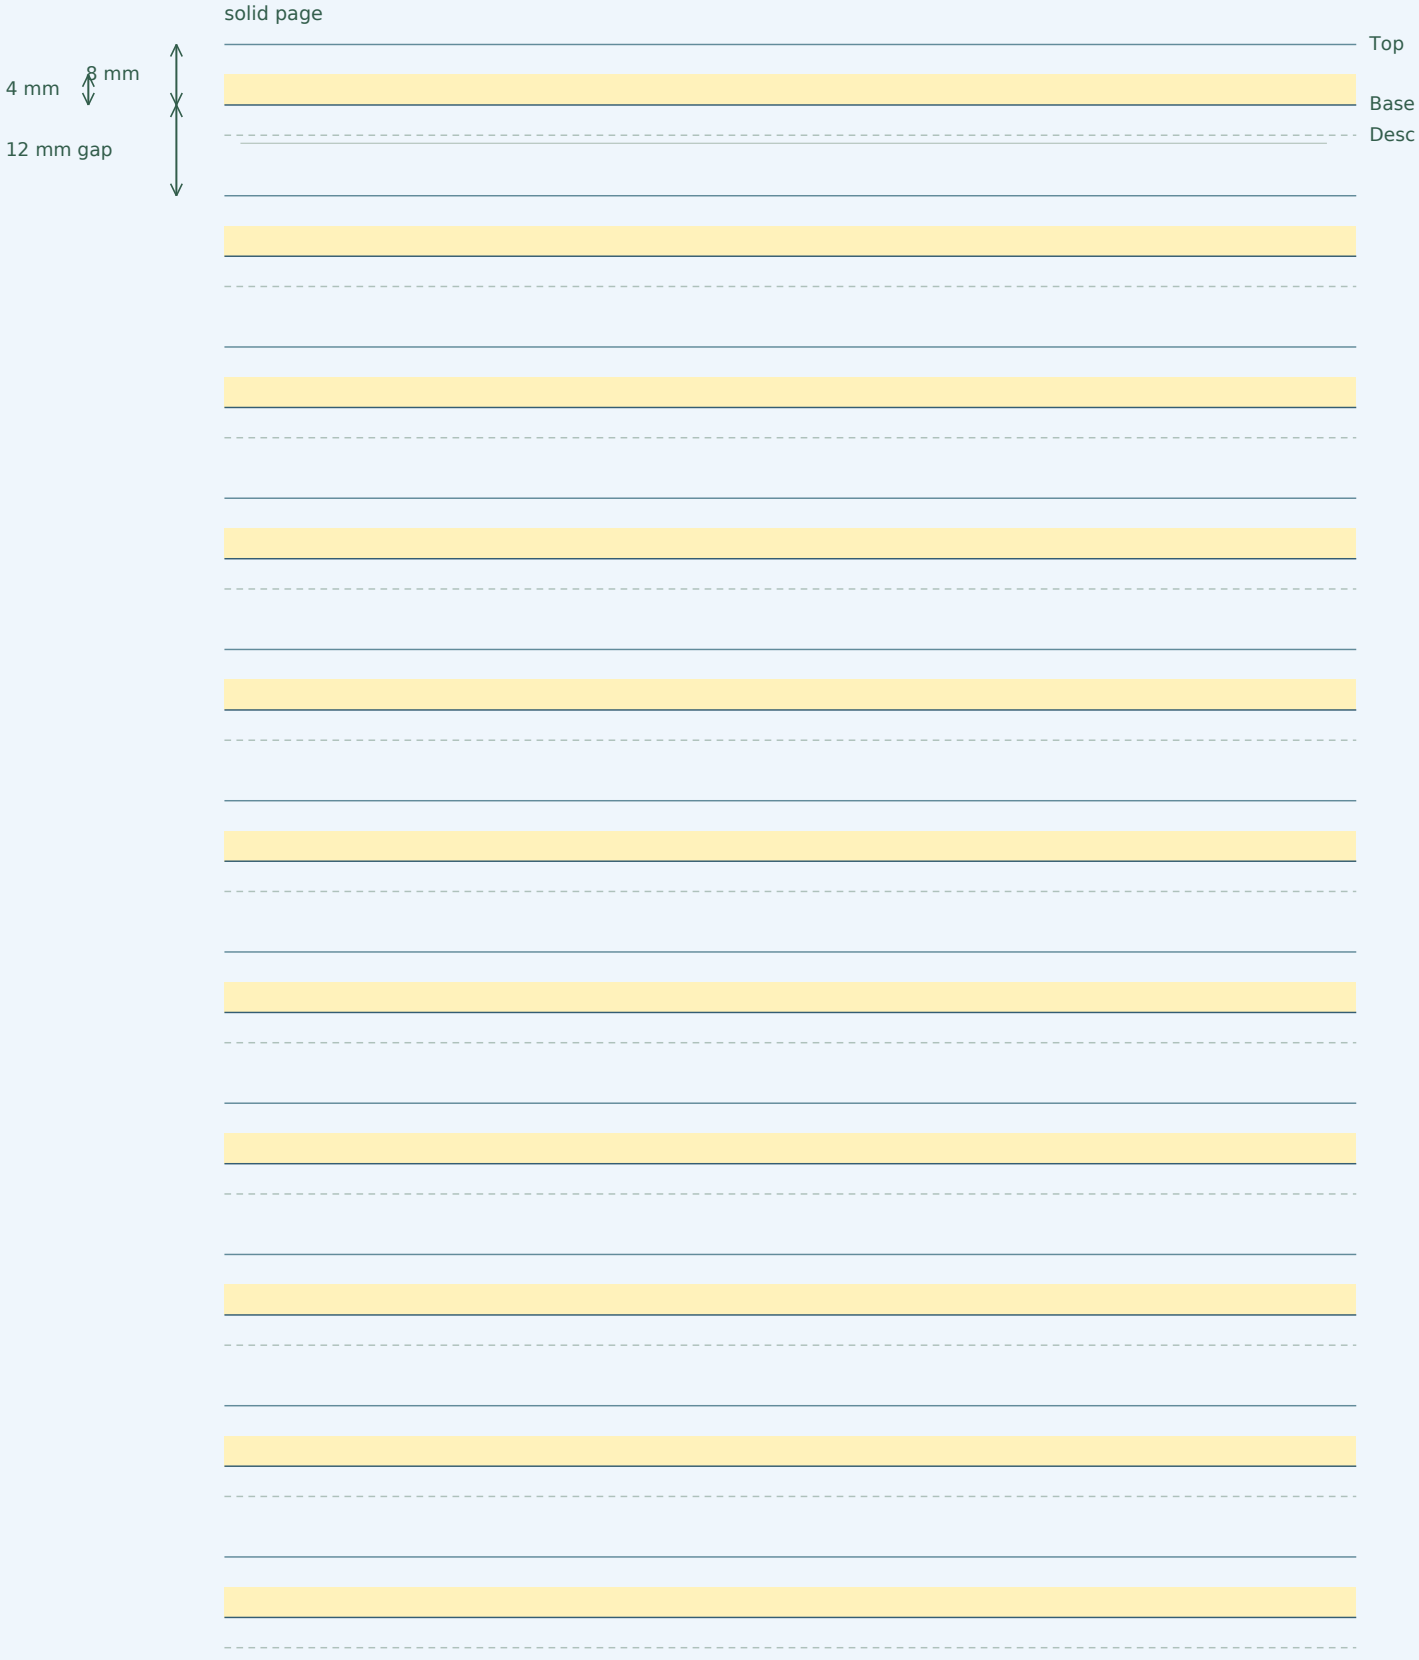

Labelled writing-zone diagram

Labelled zones: baseline, top writing line, dashed midline, ascender space above top line, descender space below baseline. Hypothetical values only.

Bold Lined Paper: Heavy-Rule Handwriting Sheets for Clear Letter Placement

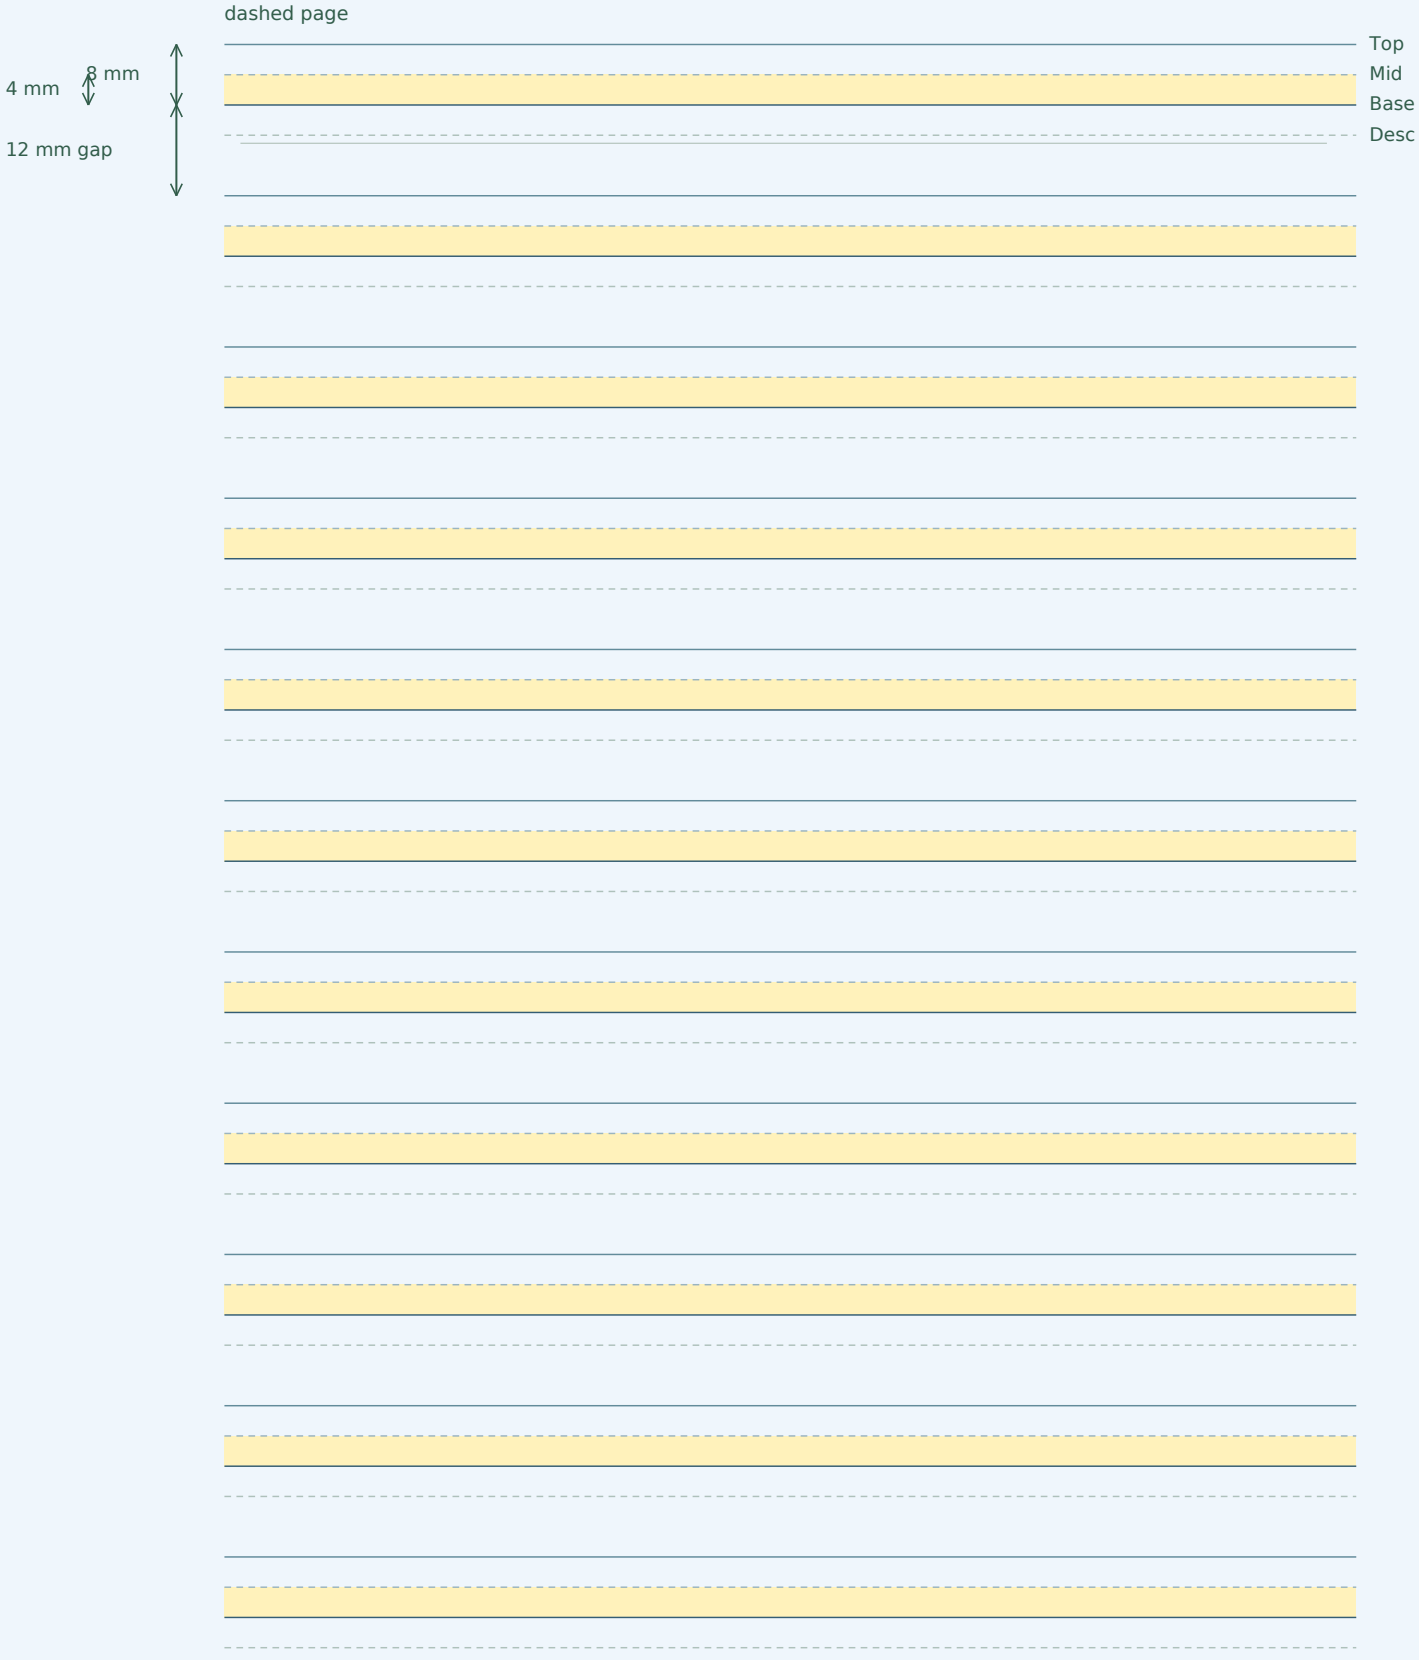

Solid-rule vs dashed-midline comparison

Page 1: heavy solid rules only, no midline. Page 2 (separate block) adds dashed midline at 4 mm. Same zone and spacing.

Bold Lined Paper: Heavy-Rule Handwriting Sheets for Clear Letter Placement

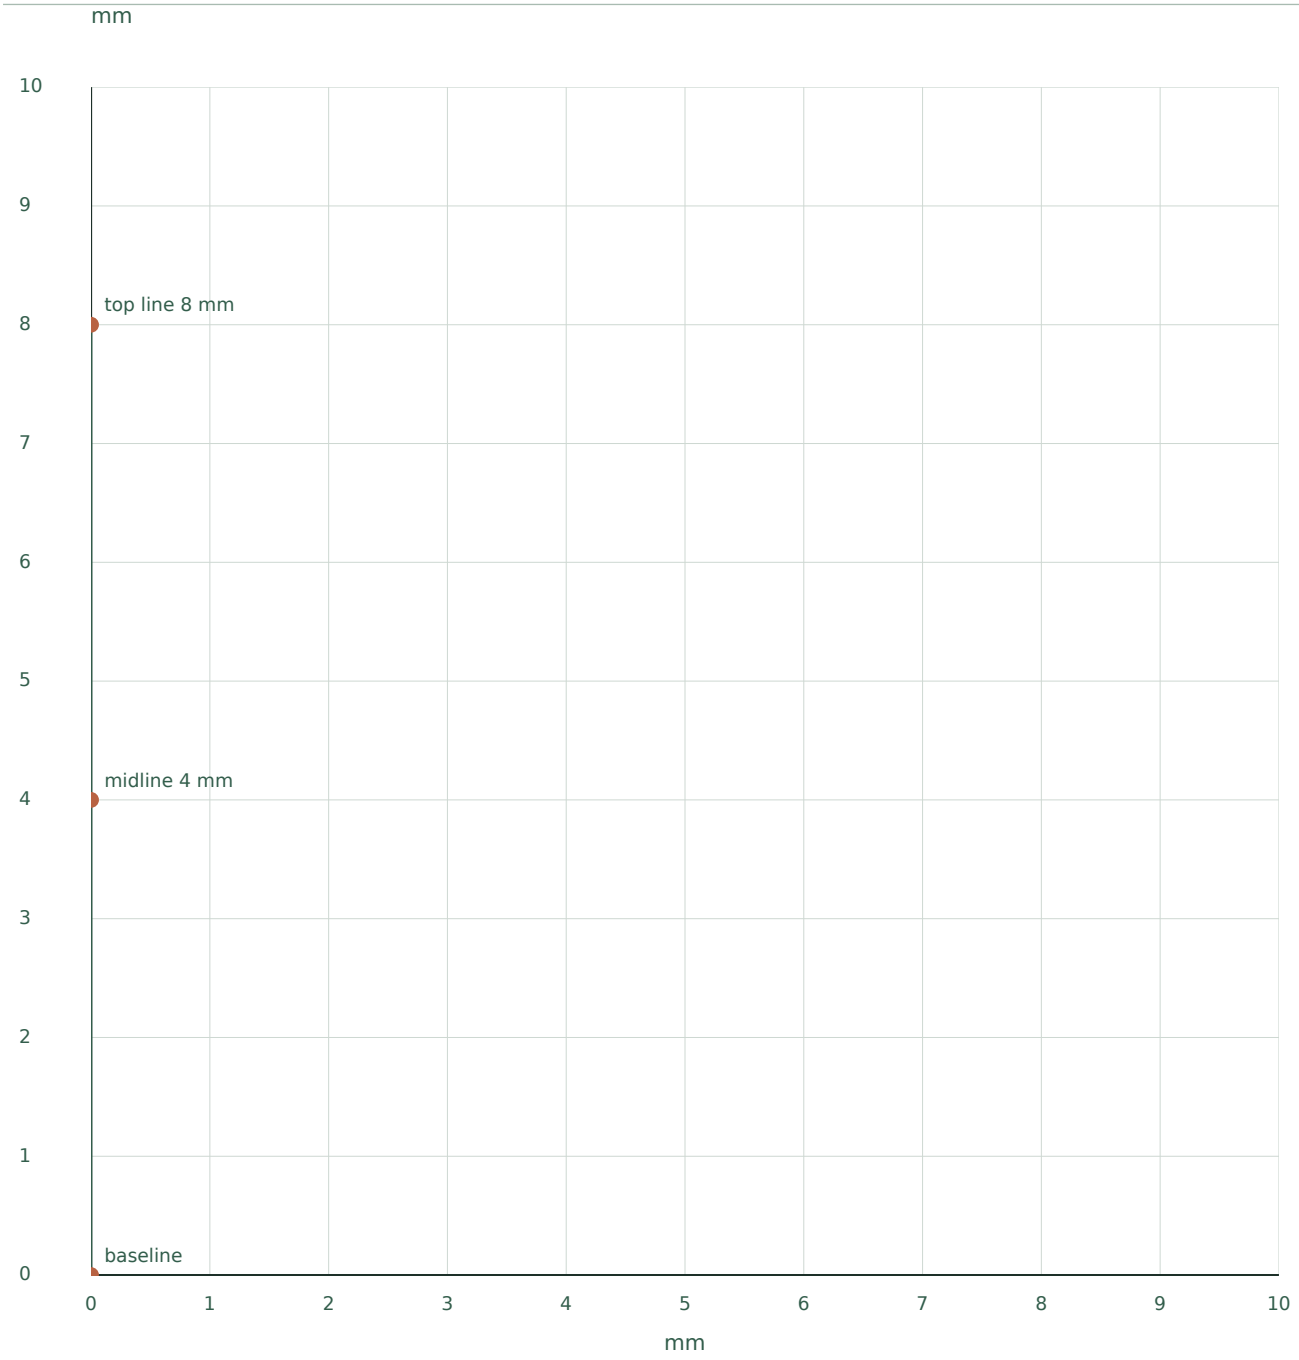

Dashed-midline page for comparison

Page 2: same heavy rules plus dashed midline at half the 8 mm zone. Compare directly with solid page.

Bold Lined Paper: Heavy-Rule Handwriting Sheets for Clear Letter Placement

Ruler measurement diagram

Measure printed distance baseline-to-midline and midline-to-top; both should be 4 mm on the hypothetical sheet.
