Original tasks 1, 2, 3 / blank responses

Task 1

Sketch a one-page checklist layout with a header field and a left checkbox margin for eight task rows. Describe the placement of each element.

Task 2

Describe how to adapt the layout for a two-column checklist variant with priority boxes.

Task 3

A draft layout has a checkbox column so narrow that hand marks touch the vertical rule. Suggest a correction and a way to verify it.
