Original tasks 1, 2, 3 / blank responses

Task 1

Write the word sun on a baseline. Check that s, u, and n sit on the baseline and that u and n reach the midline.

Task 2

Write two words: map and top. Leave one clear gap between them. Check that m, a, t, and o sit on the baseline, that p descends below the baseline, and that the gap is visible.

Task 3

Write the tall letter l and the short letter e three times each on separate baselines. Check that l goes above the midline and e reaches the midline.
