Drawing Notes Worksheet: Trace, Copy, and Label Note Values

Original task 1 / independent drawing and calculation

Task 1

On a five-line stave, draw a quarter note in the second space from the bottom. Use a filled oval centered in that space, with its bottom near the second line and its top near the third line, without crossing either line. Attach a straight stem on the right side. Label it.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 2 / independent drawing and calculation

Task 2

Draw an eighth note in the second space from the bottom using the same head convention: a filled oval centered between the second and third lines. Add one flag curving to the right from the top of the stem. Label it.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 4 / independent drawing and calculation

Task 4

Draw a whole note in the second space from the bottom. Use an open oval centered between the second line (baseline) and third line (top) of that space, and no stem. Label it.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
