Phonics Sound-Spelling Rules Reference Sheet

Original tasks 1, 2 / independent work

Task 1

The word rain contains the vowel team ai. Say the sound the team represents and blend it with the surrounding consonants to read the word. Then name one other word that uses the same team.

Task 2

The word ship begins with the consonant digraph sh. Explain why the letters s and h are not sounded separately, and read the word. Then name one other word that begins with sh.

Phonics Sound-Spelling Rules Reference Sheet

Original tasks 3, 4 / independent work

Task 3

The word car contains the r-controlled pattern ar. Say the r-controlled sound as a unit and read the word. Then name one other word that uses ar.

Task 4

Compare the words cap and cape. Explain what the final e in cape signals about the vowel sound, and read both words. Then name one other pair of words that shows the same silent-e pattern.
