APA Table and Figure Citation Layout: Placement Examples and Drafting Template

Worked example / complete source key

Draft a placement plan for a table titled 'Mean Scores by Group' with a source citation. State where each element goes.

Answer: Top left: Table 1 in bold. Next line, flush left: Mean Scores by Group in italic title case. Below: table body with column headings. Below body: Note. followed by the source citation. No citation above the number; no title inside the body.
