APA Table and Figure Citation Layout: Placement Examples and Drafting Template

Original tasks 1, 2 / independent work

Task 1

A draft shows 'Table 4' in bold, then a title in italic title case, then the body, then 'Note. Source: Example.' below the body. Is the placement correct?

Task 2

A draft shows a figure image, then 'Figure 2' in bold below the image, then a title in italic title case, then a note. What is wrong?

APA Table and Figure Citation Layout: Placement Examples and Drafting Template

Original tasks 3, 4 / independent work

Task 3

A table draft has the source citation inside the first body cell and no note below. Fix the placement.

Task 4

A figure draft has a note below the image and then an extra caption line below the note. Fix the layout.
