Elementary Draw-and-Write Page: Picture Box, Primary Lines, Word Bank

Worked example / complete source key

A learner draws a plant with two leaves and writes: The plant has two green leaves. Check the page against the rubric.

Answer: The picture has a clear main subject (the plant) and two details (the leaves). The caption has six words, is readable, and matches the picture. Letters sit mostly on the baseline. Score: picture 2 of 2, caption 2 of 2, spacing 1 of 1, baseline 1 of 1. Next step: add one detail, such as soil or a pot.
