circle count: 2

Illustrative layout; no physical centimetre sizes are implied.

Draw the Sentence Worksheet: Comprehension Through Illustration

Original worked example / unchanged complete key

Prompt: Draw the sentence: 'Two blue circles are above a square box.'

Answer: A square box sits on the baseline. Two circles, colored blue, are drawn above the box with a visible gap. A short label 'box' is written between baseline and midline. The drawing shows exactly two circles and one square.
