Pre-Writing Stroke Rows: Lines, Curves, and Zigzags

Worked example / complete source key

A row has start dots at 0 cm, 3 cm, and 6 cm on a 10 cm line. The stop marks are at 2 cm, 5 cm, and 8 cm. A learner draws three horizontal strokes from each dot to each mark. Check start, stop, and spacing.

Answer: Each stroke starts at its dot and stops at its mark. Spacing between starts is 3 cm and between stops is 3 cm, so spacing is consistent. The strokes meet the rubric.
