Handwriting Lines Above a Blank Picture Frame: A Caption-and-Draw Page

Original tasks 1, 2 / independent work

Task 1

A page has a 12 mm top margin, three ruled lines spaced 8 mm apart, a 5 mm gap, and a frame 70 mm tall. The paper is 210 mm tall. Calculate the total height used and the remaining space.

Task 2

A learner writes the word 'sun' on 9 mm lines. The x-height is 4 mm, the ascender of no letter is present, and the descender of no letter is present. Describe where the letters should sit and what to check.

Handwriting Lines Above a Blank Picture Frame: A Caption-and-Draw Page

Original tasks 3, 4 / independent work

Task 3

A page has four ruled lines spaced 9 mm apart. A learner's caption runs onto a fifth line that overlaps the frame. Suggest one layout fix and one handwriting fix, using the same units.

Task 4

Two learners write the same sentence. Learner A has even x-height but wide word spaces; Learner B has narrow word spaces but uneven x-height. Using the rubric, which strength and next step would you give each?
