Letter T Tracing and Handwriting Practice Rows for Kindergarten

Original tasks 1, 2, 3 / blank responses

Task 1

Describe how to write an uppercase T in two strokes, using the directional diagram convention.

Task 2

A child writes a lowercase t with the crossbar only on the right side of the stem. State the mistake and the fix.

Task 3

On a ruled row with a baseline and midline, where should the bottom of a lowercase t sit, and where should its crossbar sit?

Letter T Tracing and Handwriting Practice Rows for Kindergarten

Original tasks 4 / blank responses

Task 4

A child copies three uppercase T letters on a blank row. Two stems start at the left end of the bar. Describe a check and one correction.
