Two-Square Draw-and-Write Worksheet: Design, Rubric, and Exercises

Top-view layout: two equal square frames, 10 mm gap, two caption lines each, prompt row above

Hypothetical example: 210 mm paper, 15 mm margins, 180 mm usable width; two 85 mm squares with 10 mm gap.

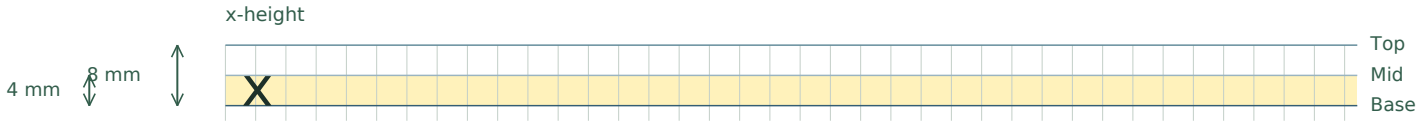

Layout 1; printed/source scale 0.54045:1

A = Page edge; B = Left margin; C = Top margin; D = Picture box; E = Picture-to-caption gap; F = Caption rules

Two equal square frames side by side with 10 mm gap; two caption lines under each; short prompt row above. Values hypothetical.

Two-Square Draw-and-Write Worksheet: Design, Rubric, and Exercises

Baseline and midline with x-height marked

Baseline to midline = x-height; letter styles may vary.
