# Using Graph Paper for Handwritten Music Staves

Original tasks 1, 2 / independent work

## Task 1

A convention uses two grid rows between adjacent stave lines. The first line is on row 4. State the rows for all five lines and the total span.

## Task 2

A student marks lines on rows 1, 4, 7, 10, and 13. What inter-line row count did they use, and what is the total span?

# Using Graph Paper for Handwritten Music Staves

Original tasks 3, 4 / independent work

## Task 3

A convention uses one grid row between adjacent lines. The fifth line is on row 9. On which row is the first line?

## Task 4

A student draws five lines on rows 2, 5, 8, 11, and 15. Does this meet a three-row convention? Explain and state a correction.
