Four-Line Bass Guitar Tab Paper: Design, Use, and Check

Original tasks 1, 2 / independent work

Task 1

A hypothetical staff row is 120 mm wide. Bar lines are placed every 24 mm starting at the left edge. How many measures fit in the row?

Task 2

A page has 200 mm usable width. You want measures of 25 mm. How many measures fit, and how much width remains unused?

Four-Line Bass Guitar Tab Paper: Design, Use, and Check

Original tasks 3, 4 / independent work

Task 3

A staff row plus gap is 18 mm. Usable height is 90 mm. How many rows fit?

Task 4

You draw four lines with 6 mm spacing between adjacent lines. What is the total distance from the top line to the bottom line?
