Days and Months Handwriting Practice Lines: Tracing and Copying Guide

Original tasks 1, 2 / independent work

Task 1

Trace and copy the word Monday on guide lines. Check the capital M, the x-height letters o, n, a, and the descender y.

Task 2

Write the month September once by tracing and twice by copying. Pay attention to the capital S, the descender p, and the long letter sequence.

Days and Months Handwriting Practice Lines: Tracing and Copying Guide

Original tasks 3, 4 / independent work

Task 3

Create one practice row for Wednesday and one for Thursday. Trace each once and copy each twice, checking tall letters and the descender y in Wednesday.

Task 4

Write a short check row containing January, July, and December. Trace each month once and copy each twice, then apply the rubric to one copied version.
